APPOINTMENT.

The Rector has appointed the Rev. George Malcolm Kingston, B. A., Cantab., late curate of Longton, Staffordshire, England, to be an assistant minister in this parish. Mr. Kingston is a son of Professor Kingston, of Toronto. He will enter on his duties on Sunday, 3rd February.

PARISH NOTES.

OFFERTORY.—December 30th, \$68.14; January 6th, \$51.72; 13th, \$54.50; and for Foreign and Domestic Missions, \$82.70; 20th, \$52.05; and for Foreign and Domestic Missions, \$1; 23rd, \$51.82; and for Poor Fund, \$3. Total Parochial, \$278.23. Corresponding period last year, \$240.64. Amount required weekly, \$60.

The appeal of the Central Mission Board on behalf of Domestic and Foreign Missions, which was read on two Sundays in the Church, met with a very fair response. It is difficult to make any calculation in a matter of this kind, but if we

take the Diocesan Scale of Parochial Assessment as a guide, we may estimate the amount required from us during the present year, that is at this collection and another to be taken up later in the year, at \$150 altogether, so that if the collection yet to be made is as successful as the one now taken, we shall have contributed our quota.

We regret to say that in returning the articles from the Art Exhibition, a knitted Afghan and a blue and white Carriage cover went astray. Mrs. Phillips will be glad to hear from any one who can give any information as to the whereabouts of these articles.

At the New Year's Eve Service, a short piece of wreathing on one of the pillars caught fire in some way from a gas jet, but was quickly put out. We should not have thought so trivial an occurrence worth mentioning, had it not been enlarged into an item by some of the daily newspapers.

The Vestry Meeting called for 9th January adjourned for want of a quorum. Mr. Henderson, who had charge of the principal business to be taken up, was unfortunately ill, and not able to attend.

The "Standard Time," the introduction of which is considered almost as a triumph of civilization, does not seem to work well in this Parish, for in the last few weeks there seems to have been a tendency to lapse into the unpunctuality which was so common in the congregation prior to the introduction of a surpliced choir. It is to be hoped that the Rector's remarks on this subject on Sunday morning last will not pass unheeded.

THE CHURCH FABRIC.

The Rector and Churchwardens are about issuing a circular to the congregation on the subject of the improvements to the Church, and repairs and decoration of the interior which have been long contemplated, but for various reasons put off from year to year. It is high time that something should be done, and we are glad to be able to announce that steps in this direction are at length being taken. Our congregation has had no great burden to bear, no heavy debt to liquidate, and no very extraordinary outlay to provide for, so that we may fairly hope that the call now being made will find a general response, and that before many months pass by, our Church may become worthy of the Diocese and an ornament to Toronto.
