PROSPECTUS FOR 1872.

Fifth Year. REPRESENTATIVE AND CHAMPION OF AMERICAN ART.

THE ALDINE:

AN ILLUSTRATED MONTHLY JOURNAL claimed to be the HANDSOMEST PAPER IN THE WORLD.

"Give my love to the artist workman of THE ALDINE who are striving to make their profession worthy of admiration for beauty, as it has always been for usefulness. —Henry Ward Beecher.

THE ALDINE, which issued with all the regularity, has none of the temporary or timely interest characteristic of ordinary periodicals. It is an elegant miscellany of pure, high and graceful literature and a collection of pictures, the rarest specimens of artistic skill, in black and white. Although each succeeding number affords a fresh pleasure to its friends, the real value and beauty of THE ALDINE will be most appreciated after it has been bound up at the close of the year. While other publications may claim superior cheapness as compared with a similar class, THE ALDINE is a unique and original conception—alone and unapproached—absolutely without competition or in price or character. The possessor of the volume just completed cannot duplicate the quantity of fine paper and engravings in any other shape or number of volumes for ten times its cost.

The labor of getting THE ALDINE ready on the press is so great that reprinting is out of the question. With the exception of a small number specially reserved for binding, no edition of 1871 is already exhausted and it is now a scarce as well as valuable book.

New Features for 1872.—Art Department.

The enthusiastic support so readily accorded to their enterprise, wherever it has been introduced has convinced the publishers of THE ALDINE of the soundness of their theory, that the American public would recognize and heartily support any sincere effort to elevate the tone and standing of illustrated publications. That so many weekly weeked sheets exist and thrive is no evidence that there is no market for anything better—indeed the success of THE ALDINE from the start is direct proof of the contrary. With a population so vast, and of such varied taste, a publisher can choose his patrons and his paper is rather indicative of his own than of the taste of the country. As a guarantee of the excellence of this department, the publishers would beg to announce during the coming year specimens from the following eminent American Artists.

W. T. RICHARDS, WM. HART, WM. HART, GEORGE SMILEY, A. O. WILLY, JAMES SHILLEY, FRANK BEARD, J. HOWES, GRANTY FERRISS, F. O. C. DARTLEY, VICTOR NEULOG, WM. H. WILCOX, JAMES H. BEARD, R. E. PROBERT, PAUL DRON, & CO.

The pictures are being reproduced without regard to expense by the very best engravers in the country, and will bear the very severest critical comparison with the best foreign work. It being the determination of the publishers that THE ALDINE shall be a successful vindication of American taste in competition with any existing publication in the world.

LITERARY DEPARTMENT.

Where so much attention is paid to illustration and got up of the work, to such degree as appearances may very naturally be feared. To anticipate such misgivings, is only necessary to state that the editorial management of THE ALDINE has been entrusted to Mr. Richard Henry Stoddard, who has received assurances of assistance from a host of the most popular writers and poets of the country.

THE VOLUME FOR 1872,

will contain nearly 300 pages, and about 250 fine engravings. Commencing with the number for January, every third number will contain a beautifully tinted picture on plate paper, inserted as a frontispiece.

The Christmas number for 1872, will be a splendid volume in itself, containing fifty engravings, four in tint and, although retained at \$1 will be sent without extra charge to all yearly subscribers.

A Chromo to every Subscriber

was a very popular feature last year, and will be repeated with the present volume. The publishers have purchased and reproduced, at great expense, the beautiful oil painting by Seis, entitled "Dimo Nature's Secret." The chromo is 11 x 13 inches, and is an exact fac-simile, in size and appearance, of the original picture. No American chromo, which will at all compare with it, has yet been offered at retail for less than the price asked for THE ALDINE and it together. It will be delivered free with the January number, to every subscriber who pays for one year in advance.

TERMS FOR 1872:

One Copy, one year, with Oil Chromo, \$5. Five Copies, \$20.

Any person sending 10 names and \$10 will receive an extra copy gratis, making 11 copies for the money.

Any person wishing to work for a premium can have our present circular on application. We give many beautiful and desirable articles offered by no other paper.

Any person wishing to act permanently, as our agent, will apply, with reference, enclosing \$1 for outfit.

NEW NATIONAL MAGAZINE FOR CANADA.

Prospectus of the CANADIAN MONTHLY AND NATIONAL REVIEW.

A feeling has long prevailed that the intellectual life of the Canadian nation ought to have some organ in the form of a good periodical. Attempts have been made to give it such an organ, but hitherto they have not been successful.

In some measures they may have been premature, but it is believed that their failure has been mainly due to the want of a sufficiently strong and well-organized staff of writers, and of a fund sufficient to guarantee to contributors the fair remuneration, without which, as unqualified experience proves, a periodical cannot be successfully carried on.

These requisites have now been effectually secured.

The literary aid and materials requisite for the support of a first-class magazine will be sought, without restriction, from all quarters—Canadian, British, and Foreign. But it is intended that the Magazine shall have a specially Canadian character, such as, it is hoped, will enlist Canadian patriotism in its support.

Politics will be treated with the aim of infusing as much as possible of the historical and philosophical spirit into the popular discussion of political questions.

Religious questions, if they form the subject of any papers, will be treated with a similar aim.

Mr. GOLDWIN SMITH has consented both to contribute regularly, and to assist in conducting the magazine.

Intending subscribers will please send us their names. ADAM, STEVENSON & CO., Publishers, Toronto.

CLUB RATES!

To parties wishing to secure a really excellent Monthly Periodical, of national value and interest, the Publishers offer the following advantageous terms for Clubs—Cash in advance. The postage, two cents per month, is included in the following rates, and a magazine being sent pre-paid from office of publication:—
