Do You Want to

Make Some Money During Your Vacation

A good opportunity presents itself by taking an agency for the

NORTH AMERICAN LIFE ASSURANCE COMPANY OF TORONTO

If after a trial you prove successful, you can make a permanent contract on advantageous terms with that Company. The North American Life Assurance Company has a magnificent record for the promptness with which it has paid its death claims. Its plans of insurance are especially attractive and easy to sell, in fact, an active agent can probably do more business in one month on the Compound Investment Plan than could be secured in three months on the old-fashioned ordinary plans.

It must not be overlooked that the North American Life Assurance Company is a successful Company, has ample assets, and has a larger surplus in proportion to its liabilities than any other Canadian Company. It is therefore well worthy of the confidence of the people of the Dominion.

Primary Recitations

WITH EXPLANATORY NOTES AND

Lessons in Primary Elocution

A collection of appropriate recitations for young children not further advanced than the First Reader, and lessons in elocution suited to their capacity.

The selections have been made with great care from the best of similar works, and there is nothing in child-literature published that is better calculated to assist in accomplishing the end sought, viz.: the cultivation of a more perfect elocution and the foundation of a literary taste among the little ones. The lessons in elocution are particularly well adapted for children of the primary classes, and include exercises in breathing, voice development, and distinct articulation. They are suitable for home practice as well as school, and every child should be thoroughly and systematically trained in them.

Sir Morell Mackenzie in "The Hygiene of the Speaking Voice" says: "As to commencing the education of speaking (which, of course, includes the reading) voice, it can hardly be begun too soon." This book aims to aid the teacher in making this beginning.
