

THE LARGEST SANATORIUM IN THE WORLD!

ABSOLUTELY

FIRE

PROOF.

MALARIA

ENTIRELY

UNKNOWN.

DANSVILLE, LIVINGSTON COUNTY, NEW YORK.

OPEN ALL THE YEAR ROUND.

:o:

THE SANITARY APPOINTMENTS OF THIS INSTITUTION AND ITS APPLIANCES FOR TREATMENT ARE UNRIVALLED!

:o:

All forms of Baths—Turkish, Russian, Moliere-Thermo-Electric, Massage, Inunction, and Electricity,—in all over SIXTY DIFFERENT FORMS OF TREATMENT given in the Bath Departments.

— IF YOU ARE SICK —

You cannot find a better place than THE SANATORIUM in which to recover lost health, and learn how to keep well.

MALARIA is most effectually eradicated, and the system cleansed of all forms of Blood Poisoning, by the Moliere-Thermo-Electric Bath, which is recommended by New York Physicians as invaluable, not only in Malaria but in certain forms of KIDNEY Disease. These Baths are not to be found in New York City, but several of them are in constant successful operation at THE SANATORIUM.
