The sole object of this Company is to bring down the cost of insurance on properties to the lowest rate possible for the whole interest of the community. THE BATTLE FOR LIFE!
Which is continually going on betw health & disease, has never received from any medicine so marked and unmistakable assistance, as the idea of health, as it has from

BRISTOL'S SARSAPARILLA.

This powerful vegetable detergent has been fully tested in nearly every part of the civilized world. It has been tried in long-standing cases of SCROFULA, and has invariably been successful in curing them. It has been again and again tested in Fever and Ague Intermittent and Remittent Fevers, and always with the same excellent results. In RHEUMATISM AND GOUT this infallible, curing agent that had resisted all other treatment for nearly a lifetime, allaying every phase of inflammation, and leaving the joints in a natural condition. In OLD SORES it is a sovereign remedy—causing new circulation of the blood around the edges of the sore, and speedily filling up and drawing together the flesh, which in old sores is generally inert and lifeless. In SORE EYES AND RUNNING EARS the effect is truly wonderful. The scrofulous and depraved blood and humors on which such sores feed and live, are neutralized at the stomach, the fountain-head, and new and healthy blood soon washes away every vestige of disease. In ULCERS AND TUMORS the effect is equally gratifying, although of course, it is necessary to persevere for some months in diseases such as those having their origin in bad blood and humors; and in such diseases as CANCER, the Sarsaparilla should be continued for at least four or five months after the trouble has to all appearance been overcome, because, unless this is done, and the nature of the blood and humors be entirely changed throughout the whole body, the disease is liable to return with unabated force. In BOILS AND CARBUNCLES the Sarsaparilla should be taken five or six times a day, but not in very large doses say two or three table-spoonfuls at a time. And in all of these diseases we strongly urge the use of Bristol's Sugar-Coated Pills in conjunction with the Sarsaparilla, taking two or three pills every second night on retiring to rest. In this way, cures will be more speedily effected.

Ayer's Hair Vigor,
For restoring Gray Hair to its natural Vitality and Color.

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. Faded or gray hair is soon restored to its original color with the gloss and freshness of youth. Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a
HAIR DRESSING,
nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich glossy lustre and a grateful perfume.

A BOUQUET;

VIOLETS AND WATER LILLIES
Exhale an exquisite fragrance, agreeable to the most fastidious, but in the Florida Water of Murray & Lanman it is not to these two floral beauties alone that we are confined; in it we have the full fragrance of a whole bouquet of blooming tropic flowers.
MOSS ROSE AND JASMIN.
Exquisite in their odor, are yet poor by comparison with the clouds of incense that arise from Murray & Lanman's Florida Water, so justly styled 'The Queen of Floral Perfumes'
ORANGE FLOWERS AND HONEYSUCKLE,
Delightful in the pure delicacy of their sweet breath, but faint and fading when compared with the refreshing and strengthening perfume of Murray & Lanman's Florida Water.
PRIMROSES AND HELIOTROPE,
Full of sweet perfume, and agreeable to many, but void of those important hygienic properties which make Murray & Lanman's Florida Water so welcome in a sick-room.
DAISIES AND BUTTERCUPS,
Nature's every day perfume, exhaling floral incense familiar to us all but from which we turn eagerly away to the more refined, delicacy of fragrance of Murray & Lanman's Florida Water.
LAVANDER AND MAGNOLIAS,
Rich with heavy perfume, but not invigorating nor refreshing, and so sweet that the sense of smell soon cloy, and longs for the simple freshness of Murray & Lanman's Florida Water
SWEET BRIER AND CLOVER BLOOM,
Bringing memories of country life and exhaling a perfume pure and delicate, but lacking uniformity and permanence so marked a feature in Murray & Lanman's Florida Water.
MIGNONETTE AND DAFFODILS,
Of poetic celebrity, sweet and pleasant in the perfume but still only the perfume of single flowers. In Murray & Lanman's Florida Water we have the combined fragrance of more than all these floral beauties; We have the unsurpassable richness of the far-off tropic flowers made permanent, and giving justly to the exquisite Toilet-Water the title of
THE EVERLASTING PERFUME.
Purchasers should be careful to ask for the Florida Water prepared by Lanman & Kemp, New York, who are the sole proprietors of the genuine perfume.
For Sale by all respectable Druggists, Perfumers, and Fancy Goods Dealers.
July 16, 1869.
