· THE BATTLE FOR LIFE. - It is a maxim in war to assault the enemy before he has concentrated his strength for attack. It should be the same in confict with disease: Even Bristol's Sarsaprilla, an anlagonist with which few mortal maladies can cope, does its work of cure and regeneration more swiftly when resorted to in the early stages of a disorder, when resorted to in the early stages of a disorder, FOR THE EDUCATION OF YOUNG LADIES. than when the latter has become intrenched in the system. Scrofula that has not pierced deep into the fish or touched the bone, vanishes as if by enchantment under its influence. So it is with skin diseases, liver complaint, affections of the bowels and the kidneys, dyspepsia, neuralgia, and rheumatism. But let is be also understood that when the struggle between THE NEW and EXTENSIVE ESTABLISHMENT the physical powers and the malady has become a sharp and seemingly doubtful Battle for Life, Eristol's Sarsaparilla can still turn the scale in favor of the patient. The merest wreck of humanity is not past salvage with its hygican aid.

from parputation of the neart that frequent attacks of of Globes, fever and ague, with loss of appetite and great pain after eating, attended with weakness and gradual wasting away of body, I was induced to try Bristol's Sarsaparilla, and found from the first bottle considerable relief, and before I had finished the sixth found my muladies completely removed, my appetite good and my body vigorous and strong. I feel it my duty gratefully to acknowledge my cure and to remark I had previously been under the first physicians in Toronto, Chicago, Cleveland, and Toledo, without receiving any permanent or even satisfactory relief.

NOTICE

TO PARTIES ABOUT TO FURNISH.

THE SUBSCRIBER, thankful for the very liberal patronage afforded to him during the last twelve years in business, wishes to inform them that not-withstanding his determination to give up the retail Furniture business this Spring, partly for want of being able to procure premises large enough to carry on the Wholesale and Retail Business; but having surmounted that difficulty by the purchase of that large lot of ground at the entrance of St. Joseph Street, second street from McGill Street, on which he is about to creet extensive premises, in every way adapted to his largely increasing trade, and attached to which he will have large Workshops, where be will be enabled to attend to the largest orders with which he may be favored. The new Store will be Similar in construction and style to the one he has occupied for the past eight years, but double the size, being 60 ft. front, by 97 feet deep, and is to be finished by the 1st of September. He has now released his old stand for another season, where will be found one of the Largest and best assorted Stocks of FURNITURE ever on view in Montreal, and which will be all finished and completed by the 1st of April, part of which has been purchased for gold in Boston and New York at the great gold discount, which will enable him to sell such Goods at less than Boston and New York prices.

A large assortment of BLACK WALNUT FURNI-TURE, manufactured expressly to his order in Upper Canada; and from the large quantity ordered and by taking advantage of Cash Trade at this dull season of the year, can be sold below anything yet offered. He intends to mark his Goods this year at a much less percentage of profit and by so doing to double his already very large sales. In order to make room for the new Stock, the balance of his old Stock will be clearen out at Cost up to the 10th of April; and to avoid selling at auction, he will offer the above inducements to parties in want of Goods in his line. A great quantity of goods, commonly called old shop-keepers, but nothing the worse, will be sold regardless of prices. All warranted to be as represented,

and delivered free of charge.

THE peculiar taint or infection which we call SCROFULA lurks in constitutions of multitudes of men. It either produces or is produced by an enfeebled, viliated state of the blood, wherein that fluid becomes in-VERS competent to sustain following the vital forces in their vigorous action, and

disease, low living, disordered digestion from unhealthy food, impure air, filth and filthy habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending "from parents to children unto the third and fourth generation;" indeed, it seems to be the rod of Him who says, "I will visit the iniquities of the fathers upon their children." The diseases which it originates take various names, according to the organs it attacks. In the lungs, Scrofula produces tubercles, and finally Consumption; in the glands, swellings which suppurate and become ulcerous sores; in the stomach and bowels, derangements which produce indigestion, dyspepsia, and liver complaints; on the skin, cruptive and cutaneous affections. These all having the same origin, require the same remedy, viz. purification and invigoration of the blood. Furify the blood, and these dangerous distempers leave you. With feeble, foul, or corrupted blood, you cannot have health; with that "life of the flesh" healthy, you cannot have scrofulous disease.

Ayer's Sarsaparilla is compounded from the most effectual antidotes that medical science has discovered for this afflicting distemper, and for the cure of the disorders it entails. That it is far superior to any other remedy yet devised, is known by all who have given it a trial. That it does com-bine virtues truly extraordinary in their effect upon this class of complaints, is indisputably proven by the great multitude of publicly known and remarkable cures it has made of the following diseases: King's Evil or Glandular Swellings, Tumors, Eruptions. Pimples, Blotches and Sores, Erysipelas, Rose or St. Anthony's Fire, Salt Rheum, Scald Head, Coughs from tuberculous deposits in the lungs, White Swellings, Debility, Dropsy, Neuralgia, Dyspepsia or Indigestion, Syphilis and Syphilitic Infections, Mercurial Diseases, Female Weaknesses, and, indeed, the whole series of complaints that arise from impurity of the blood. Minute reports of individual cases may be found in AYER'S AMERICAN ALMANAC, which is furnished to the druggists for gratuitous distribution, wherein may be learned the directions for its use, and some of the remarkable cures which it has made when all other remedies had failed to afford relief. all other remeties had failed to anord relief. Those cases are purposely taken from all sections of the country, in order that every reader may have access to some one who can speak to him of its benefits from personal experience. Scrofial depresses the vital energies, and thus leaves its victims far more subject to disease and its fatal results than are healthy constitu-tions. Hence it tends to shorten, and does greatly shorten, the average duration of human life. The vast importance of these considerations has led us to spend years in perfecting a remedy which is adequate to its cure. This we now offer to the public under the name of AYER'S SARSAPARILLA, although it is composed of ingredients, some of which exceed the best of Sarsaparilla in alterative power. By its aid you may protect yourself from the suffering and danger of these disorders. Purge out the foul corruptions that rot and fester in the blood; purge out the causes of disease, and vigorous health will follow. By its peculiar virtues this remedy stimulates the vital functions, and thus expels the distempers which lar's within the system or burst out on any

We know the public have been deceived by many compounds of Sursaparille, that promised much and did nothing; but they will neither be deceived nor disappointed in this. Its virtues have been proven by abundant trial, and there remains no question of its surpassing excellence for the cure of the afflicting diseases it is in-tended to reach. Although under the same name, it is a very different medicine from any other which has been before the people, and is far more effectual than any other which has ever been available to them.

AYER'S

CHERRY PECTORAL

The World's Great Remedy for Coughs, Colds, Incipient Consumption, and for the relief of Consumptive patients in advanced stages of the disease.

This has been so long used and so universally known, that we need do no more than assure the public that its quality is kept up to the best it ever has been, and that it may be relied on to do all it has ever done.
