## THE TRUE WITNESS AND CATHOLIC CHRONICLE ---- MAY 18, 1866.

#### He who writes against the abuses of the age in which he lives, must depend on the generosity of the few for his bread, and the malice of the many for his fame.

#### COUGHS AND COLDS.

Sudden changes of climate are sources of Palmonary, Bronchial, and Asthmatic affections. Experience having proved that simple remedies often act speedily and certainly when taken in the early stages of the disease, recourse should be at once had to Brown's Bronchial Troches,' or Lozenges. Few are sware of the importance of checking a cough, or common cold,' in its first stage. That which in the beginning would yield to a mild remedy, if neglected soon attacks the Lungs. 'Brown's Bronchian Troches,' or Cough Lozenges, allay irritation which induces coughing, having a direct influence or the affected parts. As there are imitations, be sure to obtain the genuine. Sold by all dealers in Medicine. at 25 cents a box. 2mMay, 1866.

MOTHERS! MOTHERS !! MOTHERS !!!

Are you disturbed at night and broken of your rest by a sick child suffering and crying with the excruciating pain of cutting testh? If so, go at once and get a bottle of Mrs. WINSLOW'S SOOTHING Sauve. It will relieve the poor little sufferer immediately-depend upon it : there is no mistake about it: There is not a mother on earth who has ever used it, who will not tell you at once that it will regulate the bowels, and give rest to the mother, and relief and health to the child, operating like magic. It is perfectly safe to use in all cases and pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States. Price 25 cunts. THE SCOURGE OF TROPICAL COUNTRIES. - Liver complaint, in some form or other, is all but universal in warm climates. In ropical America, prior to the introduction of BRISTOL'S SARSAPARILLA, it paralyzed the energies, ruined the constitutions, and shortened the lives of tens of thousands of both sexes. But a great sunitary revolution is now in progress there. Blue pill, iron, and many other ancient noa-trums have been abandoned, and this powerful vegetable alterative, tenic, and demuicent, has taken their place, relieving the sufferings, restoring the vigor, and saving the lives of multitudes of hopeless patients. There is no form of biliouaness, acute or chronic, that it will not cure. BRISTUL'S VEGE-TABLE PILL, the great cure for all diseases of the stomach, liver, and bowels, should be used at same

time in moderate doses. 513 Agents for Montreal, Devins& Bolton, Lamplough & Campbell, Davidson & Co., K. Campbell & Co., J Gardner, J. A. Harte, H. R. Gray Picault & Son, Wedi J. Goulden, R S Latham and all Dealers in Medi-·cine.

A MUCH ABUSED SENSE .- No one of the five senses is so frequently outraged as the sense of smell; for under pretence of ministering to its gratification charlatans abuse it infamously. They pretend, for instance, to imitate MURRAY & LANMAN'S FLO-RIDA WATER, the finest perfume of the present century, and disgust society with their unwholesome and disagreeable imitations. The public is requested to beware of these impositions which follow in the wake of this standard perfume, but are as unlike it as the minama of a swamp is unlike the perfumed atmosphere of a tropic valley.

"Florida Water, Murray & Lanman, No. 69 Water Street, New York," are stamped in the glass on each bottle. Without this none is genuine. 526 Agents for Montreal:-Devine & Bolton, Lamp-
