the low price of Barbadoes. Sugar syrups are easier, but glucose syrups are dearer than a year ago. New dried fruits continue to be in active request at steady prices. Advices from Smyrna report further stiffening in Sultanas, and Denia and Patras quotations show steadiness. New Commadra figs, in mats of 33 lbs., at \$1.10, are showing good quality and value. The "Bellona," the second and last direct fruit steamer, arrived in port this afternoon, with an assorted cargo from leading Mediterranean ports. Canned goods rule firm, especially vegetables. Brooms are very firm, with further advance looked for.

Hides.-The only change to be reported is the usual monthly advance in lambskins, which are now quoted at 55c. r beef hides continued to be quoted at 8c., and No. 1 calf at 8c.

Leather.-No active demand has yet developed for leather from local or Quebec manufacturers of boots and shoes, and manufacturers of boots and shoes, and aside from some moderate sale of dongolas and fancy leathers, business continues to rule on the slow side. Metals and Hardware—Pig iron does aside from some moderate sale of dongobridle, 35 to 45c.

Metals and Hardware.-Pig iron does not show a very active movement, but in most lines of heavy metals and general hardware, there is a well-sustained and brisk business being done. Few changes are reported in values, and general steadiness marks the situation. Domestic bars are quoted at \$1.90 to \$1.95, with delayed mill deliveries still reported. Iron pipe is also in light supply, and firm at \$4.75 for one-inch. Nails, wire and horseshoes are unchanged.
