Mercantile Summary.

The Guelph Carriage Top Co. has just completed a shipment of 116 tops to Australia.

MISS EMMA CLEVELAND, a milliner at Waterloo, Que., supposed to be doing fairly well, has been asked by a Montreal house to assign.

The first wool of the season was bought on the Guelph market on Monday last, 500 lbs. of unwashed Oxford Down. The price paid was 13c. per lb.

A RESIDENT of Port Alma received an anonymous letter "containing \$28 conscience money" for some clover seed stolen from him six years ago.

L. O. GROTTIE & Co., cigar manufacturers at Montreal, whose failure we noted some weeks ago, have succeeded in finally arranging a cash composition at the rate of 30 cents on the dollar.

APPLICATION has been made for letters patent incorporating the Rackarook Company, Limited, to manufacture explosives. The chief Canadian place of business of the company will be Sherbrooke, and the capital stock \$35,000.

THE Berlin News learns that Mr. Rumpel, of the felt boot factory in that town, has just returned from the States, where he has purchased improved machinery for the manufacture of the different lines of American felt socks, and will proceed with the erection of a new four-story building. The Berlin Shirt and Collar Company has thirty persons at present working in its factory, and half of the \$40,000 authorized stock has been taken and paid up. The News is of opinion that Berlin may develop into a second Troy, N. Y., at no distant day.
