ECHOES FROM HASTINGS.

'Rah! 'Rah!! 'Rah!!! Pillsbury it is.
Pillsbury won, from Tarrasch, by a fluke—
N.O. States.

The defence put up by Steinitz to Guns-
berg's Evan's gambit was very fine and in-
structive.

Mr. Pillsbury should now try single handed
matches with champions Lasker and Davison.

Tachigorin secured the special prize which
was hung up for the player first scoring seven
victories.

A game played in the first round, with
opening moves transposed, we present as

A Wonderful Remedy.

A YOUNG LADY IN ELGIN COUNTRY TELLS HOW
IT SAVED HER LIFE.

The Case Baffled the Family Doctor and He
Gave it up—Relief Came When Hope
Had Almost Gone—Health Again Re-
stored.

From the Tisonburg Observer.

Mr. J. W. Kennedy, who resides on the
8th concession of the township of Bayham, is
one of the most respected farmers in the town-
ship. Recently an Observer representative
visited his home for the purpose of learning
the particulars of the recovery of his daughter,
Miss Alice Kennedy, from a severe and trying
illness, through the use of Dr. Williams' Pink
Pills, after medical assistance had failed.
Miss Kennedy now presents the appearance
of a healthy and active young woman of
twenty, and bears no indication of having
passed through an illness that baffled the doc-
tors' skill. To the reporter Miss Kennedy
said that in the autumn of 1893 she was taken
ill and a physician was called in. Despite all
the doctor did for her she continued to grow
worse. She suffered from severe headaches,
became very pale, rapidly lost flesh, and her
limbs were cold and swollen. She suffered
great pain and it was with much difficulty she
could move about, and would sometimes lie
for hours in a half stupor. At last the doctor
said he could do nothing more for her, and
the family asked his advice as to her using
Dr. Williams' Pink Pills. He said he was of
the opinion that they would not help her.
In spite of this adverse opinion, however, she
determined to give them a trial, and before
the first box was finished the wisdom of the
decision was made manifest. An improve-
ment was noticed and with joy Miss Kennedy
continued taking the Pink Pills until she had
used fourteen boxes, when she felt that she
was completely cured. She has not taken any
since the early summer, and has not had any
recurrence of her old trouble, and never felt
better in her life. Indeed Miss Kennedy says
that as a result of the Pink Pills treatment
she has gained 25 pounds in weight. A short
time after she began the use of the Pink Pills
the doctor who had previously attended her,
called and was much surprised at the improve-
ment in the young lady's appearance, and said
that if Pink Pills had caused the transforma-
tion by all means to continue their use. Miss
Kennedy's statements were corroborated by
her father and sister, both of whom give all
the credit for her marvellous recovery to Dr.
Williams' Pink Pills.

Dr. Williams' Pink Pills are especially
valuable to women. They build up the blood,
restore the nerves, and eradicate those trou-
bles which make the lives of so many women,
old and young, a burden. Dizziness, palpi-
tation of the heart, nervous headache and nerv-
ous prostration speedily yield to this wonder-
ful medicine. They are also a specific in
cases of locomotor ataxia, partial paralysis,
St. Vitus' dance, sciatica, neuralgia, rheuma-
tism, the after effects of la grippe, etc. In
men they effect a radical cure in all cases
arising from overwork, mental worry, or ex-
cesses of any nature. They are sold only in
boxes, the trade mark and wrapper printed
in red ink, at 50 cents a box or six boxes
for \$2.50, and may be had of druggists or
direct by mail from Dr. Williams' Medicine
Company, Brockville, Ont., or Schenectady,
N.Y.
