ABORTIONS

REPORTED INCREASE IN NUMBER—MOTION UNDER S.O. 43

Mr. Thomas Siddon (Richmond-South Delta): Madam Speaker, I rise under the provisions of Standing Order 43 to move a motion on behalf of those whose voices cannot be heard. Given the appalling figures released the week before Christmas by Stats-Canada which show a further alarming increase in the use of abortion as a means of population control, and specifically noting that 18 innocent children were sacrificed by abortion last year for every 100 live births, with 34 abortions for every 100 live births in my province of British Columbia alone, I move, seconded by the hon. member for Edmonton-Strathcona (Mr. Kilgour) and endorsed by many members of this House with whom I have spoken:

That this House stand in silence for two minutes, in memory of the 65,135 innocent Canadian human infants whose lives were taken away by abortion during the past year; and furthermore this House admits, to its shame, that these acts have been taken with the consent of the Government of Canada.

Madam Speaker: For presentation, this motion requires the unanimous consent of the House. Is there unanimous consent?

Some hon. Members: Agreed.

Some hon. Members: No.

NORTHERN PIPELINES

NORMAN WELLS-ZAMA LAKE—MOTION UNDER S.O. 43

Mr. Dave Nickerson (Western Arctic): Madam Speaker, I rise to propose a motion under the provisions of Standing Order 43. In view of the unconscionable delays occasioned by Liberal footdragging on the granting of permission to construct the proposed Norman Wells-Zama Lake pipeline which have caused serious economic hardships and uncertainty in the Mackenzie district, as well as setting back Canada's goals of

energy self-sufficiency and job creation, I move, seconded by the hon. member for Moose Jaw (Mr. Neil):

That permission to expand the Norman Wells oilfield and construct the Norman Wells-Zama Lake pipeline be granted as expeditiously as possible.

Madam Speaker: For presentation, this motion requires the unanimous consent of the House. Is there unanimous consent?

GOVERNMENT ADVERTISING

THE CONSTITUTION—CALL FOR PROGRAM DELAY—MOTION UNDER S.O. 43

Mr. Lorne Nystrom (Yorkton-Melville): Madam Speaker, I rise to present a motion under the provisions of Standing Order 43. Last week the Minister of Justice (Mr. Chrétien) confirmed that the government has another constitutional advertising campaign ready to go in the media of this country. In the name of national unity and common sense I move, seconded by the hon. member for Winnipeg North Centre (Mr. Knowles):

That this House instruct the government not to proceed with advertising relating to the constitution while the proposed resolution dealing with the constitution is being considered by the Parliament of Canada.

Madam Speaker: Presentation of such a motion requires the unanimous consent of the House. Is there unanimous consent?

Some hon. Members: Agreed.

Some hon. Members: No.

SPORTS

CONGRATULATIONS TO NATIONAL SKI TEAM—MOTION UNDER S.O. 43

Mr. Peter Lang (Kitchener): Madam Speaker, I rise under the provisions of Standing Order 43. In view of the fact that a Canadian skier, Steve Podborski, won his third consecutive downhill ski race in Austria last weekend, and in view of the fact that no North American athlete since Nancy Green has been able to duplicate this feat, I move, seconded by the hon. member for York East (Mr. Collenette):

That this House, on behalf of the people of Canada, acknowledge the importance of the contribution made by Mr. Podborski and the Canadian ski team to Canada's international sports reputation, and domestically to our national pride and self-esteem.

Madam Speaker: Order, please. This is a congratulatory motion. I see that the feelings of the House toward this great skier are tremendous, but I feel we should not have congratulatory motions under Standing Order 43.
