OBITUARY.

It is with deep sorrow your Board refers to the grievous loss sustained by the Church in the death of the late Hon. Edward Hale, D. C. L., M. L. C., who filled the office of a Vice President of the Society and held the distinguished position of Chancellor of the University of Bishop's College. His urbanity of manners and unsparing devotion to the interests of the Church endeared him to all who had the honor of his acquaintance.

The Society has also suffered a loss in the death of Mr. W. J. Sealy, a life member of the Society and member of Central Board, and who always took an active interest in the well-doing of the Society.

M. M. FOTHERGILL,

J. W. QUEBEC.

Secretary.
