When silverplate is chosen for personal use, or for gifts, let it be the genuine 1847 Rogers Bros. brand, renowned for attractiveness and durability for over seventy years. There can be no question of its giving life-long satisfaction.

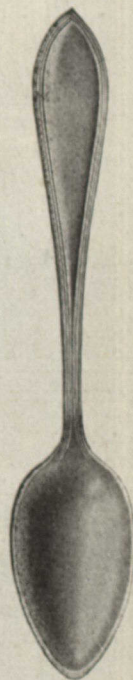

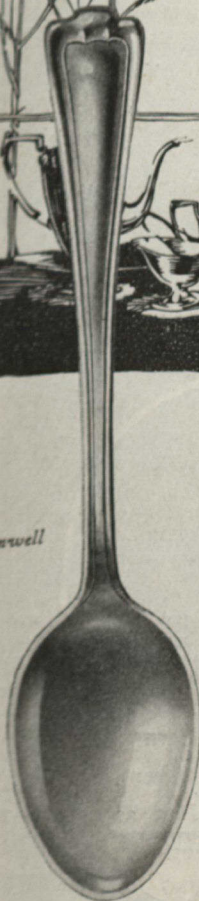

Do not be confused by goods with a similar name. The date, "1847" identifies the very best. Look for it and do not buy unless you find it on the backs of the spoons, forks, etc.
