 Toronto

FROM the published statements of various Building and Loan Associations, we note that they estimate stock to mature in from seven and a half to ten years, and that a monthly payment of from \$6 to \$10 for that fund will produce \$1,000 PROVIDED THE OWNERS OF THE SHARE BOTH LIVES AND PAYS. THE MANUFACTURERS LIFE will guarantee to a man aged 30 for a premium of \$8 per month an endowment policy for \$1,000 which will mature in ten years, with profits estimated to amount to one-fifth of its face value, and should the death of the investor occur before maturity the policy will mature at once for its full face value of \$1,000.
