

If human Life do pass away,  
 Perishing yet more swiftly than the flower,  
 If we are creatures of a winter's day ;  
 What space hath Virgin's beauty to disclose  
 Her sweets, and triumph o'er the breathing rose ?  
10  
 Not even an hour !

The deepest grove whose foliage hid  
 The happiest lovers Arcady might boast,  
 Could not the entrance of this thought forbid :  
 O be thou wise as they, soul-gifted Maid !  
 Nor rate too high what must so quickly fade,  
15  
 So soon be lost !
