

Choice animals from this farm have excited admiration and brought very high prices even in England. Breeding from the very finest animals that could be procured in England, seems, in Canada, to have improved the pattern.

There are some manufactures of importance in the Townships, particularly of Woollens; and there are numerous local factories of doors, sashes, carriages, iron ware and agricultural implements, intended for the most part to supply local wants. It may be specially mentioned here that the woods of the Townships are adapted for several manufactures, such as furniture, carriages, &c. There are many French Canadian settlers in the Townships who live in the most perfect harmony with their brethren who speak the English tongue; but this may be said to be particularly an English portion of the Province of Quebec.

All religious denominations have Churches in the Townships and the utmost religious freedom prevails. Every settler from the United Kingdom can there find his co-religionist, as well as his home sympathies and mother tongue.

As respects education, every man who comes will find ample and very superior facilities for educating his children, from the primary school to the university.

Sherbrooke is the largest town in the Townships and is a place of considerable importance, containing many handsome buildings and residences. Flourishing and well to do villages may be found throughout every part of this portion of the Province of Quebec.
