Travellers' Samples of Fine Furs

It's a rare thing to hear of remarkable values in Furs turning up just when every woman's thoughts are turning towards these expensive but necessary articles. But we were fortunate enough to get three hundred and fifty-four pieces from an English traveller lately, and we will offer them to-morrow morning at less than manufacturer's prices.

They are the advance styles for next season. Every piece is perfect, and just as well made as the English furriers could make them. No two pieces alike, and all the most-sought-after furs will be found among them, including:

mink marmot, grey squirrel, English mole white Thibet and Belgian hare. Eight o'clock customers will have a wonderful selection at prices that wil not be duplicated in Toronto this winter.
