Yesterday, however, the board of A co experts held a consultation with Acting Mayor Spence, the board of control, City Engineer Rust and Waterworks Engineer Fellowes, in the HOUSE OF LONGS AGAIN question, of the specifications under consideration. They were disposed to strongly criticize the city engineer for taking action without calling them into consultation, and further were of opinion that his specifications did not sufficiently provide for the safety of the pipe. The matter was very carefully gone into, and the stand taken was that the pipe should be laid in such a way that there would be absolutely no change of its measurement. lutely no chance of it meeting with
