CITY CRICKET LEAGUE.

Cricket enthusiasts were glad to read in the Times yesterday that the Toronto City League is to be reorganized. The temporary executive committee consists of Wm. Paris, chairman, and F. G. Beardsall, secretary. As most of the clubs are more interested in playing good cricket than seeking competition honors, it is quite possible that the former league competition will not be revived this year, but this question is left over until the next meeting. An invitation is extended to other clubs to join the organization, and they should communicate with the secretary at 4 Rutherford avenue, Mount Dennis.

Committee of Supply.

"The house will note that the government proposes to refer to the public accounts committee the accounts connected with the license department for the last six years, being all the accounts mentioned in the amendment moved by the member for Southwest Toronto, seat 'A,' last week, to the motion of the provincial treasurer, that the Speaker leave the chair and the house resolve itself into the committee of supply. But in addition to doing this, the government is appointing the chief justice of Ontario to hold a judicial investigation into the specific acts of wrongdoing mentioned by the honorable member in his address." (Applause.)

Morrison's Matter.

Mr. Proudfoot: I do not quite understand whether the matter of Morrison which is to be looked into by Mr. White is also to be submitted to the commission.

Premier Healey: Mr. White has been instructed to look into this affair, but in all circumstances connected with this matter we propose he shall take such action as the circumstances warrant.

Mr. Proudfoot: Yes; but will that come under this commission?

Premier Healey: Yes; that will all come under this commission.

He repeated the announcement of submitting the accounts of the license department to public investigation which was again applauded.

Mr. Proudfoot: I would like to know from the premier whether there is truth in the report that Mr. Aycraft has resigned.

Premier Healey: I have already said that Mr. Aycraft has been suspended pending the investigation.

Mr. Proudfoot: I heard that. But what I asked was has he resigned?

That is the current report today.

Premier Healey: I do not know anything about that.

Hon. Mr. McGarry brought in a motion for submission of the license department accounts which was carried without comment.

In the legislature yesterday a number of private bills got thru the report stage in committee of the whole.

Hon. Mr. McGarry, answering a question by Mr. Flanagan, said the total of the bank balance to the credit of the government on Dec. 31, 1918, for current account, was \$227,055, and for special deposit, bearing interest, \$2,775,000, as compared with \$1,339,244 and \$2,890,000, respectively, on the corresponding day of the treasurer's preceding statement.

Mr. Aycraft gave notice of the following resolution:

"That in the opinion of this house the government should at the earliest possible moment introduce legislation to meet the conditions arising

The United District
Football Association

The United District Football Association delegates met last night and confirmed the action of delegates to the Ontario football in changing the name from association to league. They further decided to rescind their resolution of the previous meeting regarding the Hamilton G.W.V.A. and the league games will be played without any guarantee from Hamilton or Toronto teams.

Applications were received from Hamilton and Toronto for affiliation, but as other applications are pending this matter was left over until March 31, and if sufficient applications are forthcoming a third division will be formed. Applications should be sent to the league secretary, 180 Jones avenue.

The president was authorized to petition the Dominion government in favor of the daylight saving.

The association will affiliate with the Toronto Amateur Federation. Arrangements will be made at the next meeting for a representative game on Good Friday. Several suggestions were put forward, Toronto v. Hamilton, and A. V. returned soldiers, and U.D.F.L. v. 58th Battalion.

The following teams were allocated to Varsity Stadium: Davenport Albions, United District, Wilby-Overland and Toronto Scottish, and Old Country and Lancashire were allocated to Dunlop field.

The first league game will be played on April 12.

"George E. Morrison, a provincial license inspector, has sent in his resignation and the same has been accepted, and he is no longer in the employ of the government. Why Not Try
B'Well?

It Makes People Feel Well

B'Well is a medicine that assists nature, made from roots, herbs, leaves, etc. It is a concentrated extract of these herbs tone up the stomach, regulate the liver, act on the kidneys, and it contains a harmless worm destroyer that is sure death to worms.

B'Well is not a Tape Worm exterminator. It is not recommended for that purpose.

B'Well expels Stomach or Pin Worms, and in many cases has brought away sections of Tape Worm; and by its use many have discovered that Tape Worm was the cause of their trouble, and have purchased my Tape Worm Remedy and have been relieved of a horrible monster twenty or thirty feet long.

B'Well is restoring thousands of people to health. I am not going to enumerate the different diseases and complaints that people have been relieved of from the use of B'Well as it would take up too much space. I can simply say that restlessness and disease cannot remain if you take this medicine for a time, and it will surely make you feel fine.

Telephone Calls

Hello! Is that Prof. Mulveney, Parkdale 4830?

Is Prof. Mulveney there?

No, lady. I cannot tell you by looking at children if they have worms.

Could you tell me, if I brought my little girl down, if she had worms?

No, lady. I cannot tell you by looking at children if they have worms.

Could you tell me, if I told you all the symptoms?

No, madam. My remedy called Mother's Friend expels worms, is an excellent Tonic and Builder, good for the Nerves, and an excellent medicine for Rheumatism; it brings away all Fifth and small intestinal Worms, is perfectly harmless, and can be given to the smallest infant without fear of doing harm.

A lady who is living on Shaw street has a boy of 11 years of age, and her baby two years old. She said she had no peace with this child night or day for four months the doctor was calling regularly and did not help the child in the least. The little one took a bad spell and the mother opened his mouth and pulled out a stomach worm that was strangling the child. She rushed over to me and brought the child, and the worm, which measured eight inches long, with her. She purchased a bottle of Mother's Friend, and the second dose brought away 17 more. She was horrified at the sight and brought the worms to me, which I have here in a bottle in my office, and many others from other happy mothers who think it good investment to try Mother's Friend, it is \$1.00 per bottle, and 50¢ for postage in the city and 25¢ extra for postage outside Toronto. Now you understand, it is not necessary to waste car fare bringing your children here, as you can practice medicine, and have only one remedy for sick children, which expels worms if there are there. It is an
