to the original nominees, after 45 minpresident explained that he would take office again by unanimous choice, not otherwise. It had been the of living thru being pestered at all times by gentlemen, many of them present, who wanted office under the government, and he had with patient toil gone to Mr. Foy and Dr. Nesbitt

ing to step out.

The chairman intimated that the meeting had done wrong in allowing anybody to retire, and a tangled situation was not helped by Candidate Owens, who moved that as the president wanted unanimity, he should have it. The chairman, whose brow was furrowed with anxious thought from the head of Shercate the chair, but the meeting declared in no uncertain way he must stay where he was.

"I retuse to allow my name to go be
connection between that section and the city proper. Mr. Rust suggests as an alternative proposition the spanning of Wellesley to a point on the eastern rise of the valley, about where the smallpox hospital stands.

"It would be less expensive than viaducts crossing from the head of Sherbourne-street to Castle Frank across the Don Valley," said Mr. Rust. "The space to be spanned would be less and residents would get down town by using the Winchester-street cars. However, this would

got abroad that he was identified with party politics. He had never taken an active part in municipal politics, but he believed the city would be better governed under a straight system of party politics. It a party was resont and then left the city.

REV which exerted all the force at its continuant to defeat him. The board of aldermen, too, is lost to Tammany, they having but 25 members of the beard against 38 Republican and 9 municipal ownership members.

Tammany also lost 12 members of the state assembly from New York the state assembly from New York.

Montreal, Nov. 8—(Special.)—Hon.

Charles Fitzpatrick went down to Quebec the other day, and to-day Le So
led (c. cot.)—When the Conservative leader, will take a hand in the Ontario by-elections.

He will probably leave Ottawa in the course of the next few days, and delives speeches in York, Wentworth and West Durbam.

ASK ALL JEWS TO AID.

As a matter of fact, the minister of justice was evidently embarrassed at the eagerness of the Liberal papers in discussing Sir Wilfrid's successor at Ottawa.

Le Soleil declares that the question of resignation or successor must not be successor at the successor must not be successor at the successor at the successor must not be successor at the successor at Le Soleil declares that the question of resignation or successor must not be discussed at the present time.

"Our readers have not forgotten," adds Le Soleil, "how we called to time The Globe, concerning the minister of justice, and since then The Globe has given up publishing rumors of retirement of the members.

"The members have not failed to no
"The members have not forgotten," and since then The Globe has given up publishing rumors of retirement of the series of the farst time on record that such a concentrated movement has ever been made by the Jewish Societies.

Fund was issued here to-night by Adolph Kraus, president of the Independent Order of B'Nai B,Rith.

This is the first time on record that such a concentrated movement has a concentrated

association's practice to re-e.ect by acclamation. He intimated that he didn't hanker to remain. He had lost the joy of living thru helps restricted to the Extension of Bloor Street.

In speaking of The World's plan for a greater Bloor-street, the city engineer "I don't want the joo any more," he declared. He had the greatest possible pleasure in retiring and the meeting had no right to insist that he run. With or without permission he was go-

ciared in no uncertain way he must stay where he was.

"I retuse to allow my name to go before the meeting and I consider it an insult that I am not allowed to do so," asserted the president with much warmth. Candinate Owens with a persistent general way and to be a good one and one that is motion was put. The "Ayes" did not roll up any great volume of sund. They came from a few scattered quarters.

"I retuse to allow the would be less and residents would get down town by using the Winchester cars. However, this would have nothing to do with the Bloor-street extension scheme, which I believe to be a good one and one that is bound to be realized in time, altho I do not see any present urgent need."

Mr. Rust remarked that the greatest obstacle to its carrying out, as he viewed the matter, was the fact that the expense of the viaducts would be very considerable. Residents could

printer in the shop where the tickets were procured. It is claimed he made consider as an assistant in breaking the
