Association, without the knowledge of the Shamrock Club.

Judge Morgan, in the county court this morning, dismissed two cases against the Town of Toronto Junction.

Mrs. Ann Kelly, who slipped on a pavement last January and broke her wrist when she fell, wanted \$300 compensation from the town. Mrs. Joseph McCall also broke her wrist by a similar fall last March and demanded \$200 damages.

William Lansing, barber at 54 Dundas-street, had \$80 stolen from him at Newmarket yesterday, during the crush at the close of the Shamrock-Bracebridge lacrosse game.

A meeting of the C. L. A. will be held in the Troquois Hotel, Toronto, to-morrow evening, when the result of the lacrosse game which took place yesterday at Newmarket will be discussed. Affidavits are being sought after from disinterested spectators of the game, who declare that they heard numbers of the Bracebridge supporters, at the end of the third quarter, plan to stop the game, since their team had lost all chance of winning.

The Shamrockers are endeavoring to procure the services of Herb Lennox for to-morrow night's meeting, and if the affidavits can be secured and proved to be correct, the game will be decided and the Shamrockers declared champions of Ontario.

Mrs. McAllister of Toronto Junction has left for Barrie to visit her daughter, Mrs. White, for a few days.

This morning a team of horses in a bread wagon ran away on Loughlin-avenue, but were pluckily stopped by pedestrians.

HUMBER BAY.

Man Reaching for Hat, Falls and is Seriously Injured.

HUMBER BAY, Sept. 19.—Complainant was this morning made to the proper authorities, that a horse has been for the last three days on the lake shore, near Mimico, without food, water and covering. The animal is unable to rise, and its presence and condition were unknown until to-day. The human action has aroused a good deal of righteous indignation, and if the parties can be found the matter will be pushed to the limit.

Constable George Simpson is the last one to mourn the visit of the dog poisoners who of late have been operating in this vicinity. A number of villagers are mourning the loss of favorite canines. An effort will be made to locate the offenders.

Joseph Kennedy of Lambton Mills, and brother of James Kennedy of the Kennedy Carriage Co., while walking over the Humber bridge this morning, lost his hat, and reaching for it, overbalanced and fell to the ground below a distance of 15 feet. He was picked up in an unconscious condition and removed to Grace Hospital, where it was found that his injuries consisted of several broken ribs and a fractured shoulder. One of the ribs had pierced his lung, and his condition at a late hour was most critical.

DEATH OF PIONEER.
