purpose. Here people suffering from mental diseases would be sent for preliminary treatment. If it appeared that they could be cured they would not be sent to the asylums at all, but if it was apparent that they were hopelessly insane they would go to the asylums. This plan has been followed in Germany, not only with pronounced success so fa as the recovery of patients is concerned, but with considerable saving to the public treasury

It is said that, in the event of the method being adopted and found successful here, such clinics would be established at one or two other centers in the Province, notably London and Kingston. In any event Toronto Asylum is to be removed, but no definite step in that direction is likely to be taken until the report of Hon. Dr. Willoughby and Drs. Clark and Ryan has been received and discussed by the cabinet. .

A BRUTAL ASSAULT

Hamilton Shopkeeper and Wife Roughy Handled By Toughs.

Hamilton, Aug. 28. - Michael Murphy and his wife, who conduct a small store on the mountain top, near the east end incline, were brutally assaulted late last night by three toughs, who went into the store and demanded peanuts. When told that there was none in the store they became enraged and ordered Murphy to go out and get them and leave his wife in the store. He refused and was attacked by the men. Several of his teeth were knocked out, and he was badly hurt. His wife was swung around by the hair of the head, and her face terribly bruised.

The men escaped in a rig.
