NOTE AND COMMENT

The Pari-Mutuel system of betting will receive its first official jockey club sanction in America tomorrow at Churchill Downs.

Those who have all along contended that the pari-mutuel system of wagering affords the public at least an even break point to the action of the handbook men in wanting to reach an agreement on prices in support of this theory.

As regards the pari-mutuel and the fair prices to be obtained about outside runners in certain events in France each day the pari-mutuel is paid is reproduced in the leading French sporting journal.

A mutuel machine was in operation at Woodbine some years ago, and is said to have been abandoned because of the bookmakers.

The comfort to investors I take little heed of, the mutuel machine is a consideration, but a man can always get on all right with layers and can give according to the following by a writer in The London Express:

Of course, at Louisville, the law allows no opposition, and the layers make their own odds. In other words, they get back all the money wagered less five per cent.

The Pari-mutuel at the races is next door to the Down-and-out Club. It is a function in the betting limit to 25, which has become such a bugbear by the time of the last race.

With the St. Lawrence Arena show successfully staged, a new function is to be held at the Woodbine, when the horses will be different kind of a function, but of course, than last week, and worth backing.

McDaniel's riding at Jamaica has caused a lot of criticism. The jockey, who has been racing in New Orleans, has all his former cleverness and also his former admirers.

The \$2,500 distributed during the nine days racing at Lexington was won by 165 horses belonging to 68 owners.

President James John McCaffery has completed arrangements for the opening ceremonies at the new island grounds on Tuesday of next week.

There is a new game of baseball called playground ball. It is given encouragement to a prolonged period of playing the game among men who have passed the age of physical condition when they can comfortably handle a hard ball and run thirty yards on a base.

In Boston, where the last Marathon was run, they say that the winner is a professional, but notwithstanding the fact, A. U. declares Morrissey must go to Shepherd's Bush because he wears Scott's Gait shoes.

The ancient but still green game of hurling is soon to be included in Toronto's galaxy of sports. Members of the Gaelic Society will play the first time on Saturday with their clubs.

W. A. McNab is C. C. A. Secretary. MONTREAL, May 3.—At the annual meeting of the Canada Game Association held here Saturday night the following resolutions were adopted:

Resolved, That the annual regatta at Ottawa, it was also decided to hold division regattas at Toronto, Montreal, and Ottawa, three meetings to form the tri-regatta. Dr. Gibson of Ottawa was elected commodore and W. A. McNab of Toronto, vice-commodore.
