 Broomhall cables from Argentina: Wheat shipments this week 1,300,000 bushels, against 1,100,000 last week and 1,400,000 last year; corn 3,400,000, against 3,200,000 last week and 3,500,000 last year; wheat, now 1,300,000, against 1,100,000 last week and 1,400,000 last year; corn, 3,400,000, against 3,200,000 last week and 3,500,000 last year.

Crop Reports.

Chicago Gossip.
 J. P. Bickell & Co. say at the close of the market:
 Grain—Dull cables, inactive cash markets and weakness in futures closed dull market, with values 1/4 to 1/2 lower. Trading position appears preferable, with sales on all goods. Accept fair profits.
 Erickson Perkins & Co. had the following:
 Wheat—The market opened steady to a shade easier, and ruled dull and heavy during the early part of the session. There was considerable liquidation in right sales and in changing to latest receipts. Northwestern markets were buying by millers and continued fair four sales. The market at the moment seems to be of a trading character, with a large percentage of trade professional. Until the cash demand improves, we feel that too great to allow of any sustained advance.
 Corn—Failure of frost to materialize over night caused those who had prepared for that calamity to part with the holdings which they had acquired in au-

HERE IS AN OLD YOUNG MAN.
 Years count for nothing if you have the vitality. You can feel young all your life where there is ample nerve force to back your courage. Let me make you a "HEALTH BELT MAN." Let me supply you with that vim, vigor and manly strength which conquers all obstacles. A man of 60 should be in the prime of life; early decline unfits you for the world's work. I have talked with more than 100,000 debilitated men; the lack of vital vigor is responsible for most failures; you can't command the attention and admiration of women or even men if you lack personal vitality. My HEALTH BELT fills you full of vital force; it strengthens weakened parts; it gives you courage to meet squarely any enemy which may look into your eyes. You become as attractive in your personal influence as the strongest, most full-blooded man you know. Thousands upon thousands have been cured by my HEALTH BELT. Worn night for two or three months, it sends the continuous tonic current of electricity into your system all the time you are sleeping. No privations, no medicines, no restrictions, excepting that all dissipation must cease. Cures weak back in one night; benefits from first hour. It has special attachments which carry the current to the weakened parts. Used by both sexes for rheumatism, kidney, liver, stomach, bladder disorders, etc. John Mulholland, Tyneside, Ont., writes: "Your Health Belt restored me to manly vigor. Use my name as you see fit. If in or near this city, call and see the Belt in my office, otherwise send for the free books which explain all and tell you how, for a few dollars, my Health Belt will give you back your manhood. No charge for advice at office or by mail. Use the coupon if more convenient."

Cotton Gossip.
 Erickson Perkins & Co. had the following:
 Pressure was put on the shorts again today in the August option. After some early weakness that option was bid up by the leading bull interests. A smaller degree. Notices on about 20,000 were tendered during the morning, and were cared for by the leading bull interests. There was no change in the mill situation, and large quantities of yarn were being offered in Philadelphia at heavy concessions under prevailing quotations, while it was announced that the great Amoskeag mills, employing nearly 20,00 operatives, would close today for two weeks. Reports from the eastern half of the cotton belt to-day were so encouraging that some students claimed the probable shortage in Texas would be more than made up. This, and the great increase in acreage this year, are bound to let later, and when the September movement sets in we believe lower prices must prevail on natural conditions.

It is far better to be an old man who feels young than a young man who feels old.

HERE ARE THE BOOKS THAT GIVE THE SECRETS OF PERFECTUAL YOUTH. LET ME SEND THEM TO YOU FREE.

HERE IS AN OLD YOUNG MAN.
 Years count for nothing if you have the vitality. You can feel young all your life where there is ample nerve force to back your courage. Let me make you a "HEALTH BELT MAN." Let me supply you with that vim, vigor and manly strength which conquers all obstacles. A man of 60 should be in the prime of life; early decline unfits you for the world's work. I have talked with more than 100,000 debilitated men; the lack of vital vigor is responsible for most failures; you can't command the attention and admiration of women or even men if you lack personal vitality.
