

KERMESSE D'ETE ALLURING SIGHT

Women's Art Association Arranges Scene of Loveliness Fitting Spring.

Allurements are many at the attractive Kermesse d'Eté, which is in progress at the quarters of the Women's Art Association, 23 Prince Arthur avenue, and which yesterday afternoon was at its best in the atmosphere of an ideal day. Under the lacy green of the trees, tents and stalls awaited the visitors, displaying home-made hats, decorated by members of the association, jewelry and other heirlooms, quaint boxes and bric-a-brac of various kinds. Tents on the lawn invited to interviews, in which the past was painted and the future foretold. Tea was daintily served and a program presented of vaudeville numbers, dances, songs, together with a pretty act entitled "Fandora's Boy" and an oriental play in which a number of local people took part. In the evening pupils of Miss Josephine Hodgson appeared in the attractively presented "Egyptian Freeze."

The upper part of the house was devoted to the exhibition and sale of many useful and pretty articles, all displayed in artistic and dainty fashion. The festival continues during the week, with several changes of program.

PREMIER'S TAX EXEMPTION BILL IS DISCUSSED

Premier Drury's bill to grant exemptions on income, improvements and business, was a lively topic for discussion at yesterday's meeting of the legislature. It will be further discussed.

The premier said he would consent to restricting his measure to townships, but at the same time he would not exclude other municipalities who might desire to avail themselves of the advantages of his bill.

H. H. Dewar said Ottawa had voted against the principles of the bill, which was the result of agitation rather than public pressure. Mr. Drury also suggested that the bill be passed with added clauses that the government approve the taking of such votes by order-in-council and name the place in such order. Hon. Mr. Henry Wood said he was in favor of the bill and had an alternative that municipal councils be given the right to say when a vote may be taken on such bylaws.

CHATHAM FIREMEN FIGHT TWO FIRES

Children's Shelter and Home of Rev. R. J. Perkins Ablaze at the Same Time.

Chatham, Ont., May 25.—(Special) Prompt action on the part of the two platoons of the local fire department saved considerable property loss late Monday night when fires occurred at the Children's Shelter and the residence of the Rev. R. J. M. Perkins within a few minutes of each other. Late Monday night, a rocket is believed to have caused a blaze on the verandah at the Children's Shelter, which spreading to the eave of a nearby house, threatened a bad fire. The cause of the fire at the Christ Church Rectory is unknown. The blaze melted a lead pipe, and the burning gas hampered the efforts of the firemen for a time. The floor of the drawing room was burned. Mr. Perkins and family had retired for the night. His son, Russell, was almost overcome by the smoke.

CHIEF INSPECTOR LEAVING FORCE

Robert McClelland Retiring From Police After 47 Years' Service.

Chief Inspector Robert McClelland, who has seen as long service on the force as any other member, tendered his resignation to the police commissioners yesterday afternoon. Inspector McClelland joined the department 47 years ago, and was the sixty-fifth constable to join. At present he has been charged with the order of the day, handles the clothing, police occurrences and many of the records. The inspector's resignation will go into effect July 1, when he will be given three months' holidays with full pay, followed by the annual life pension from the benefit fund. At present he is secretary of the Chief Constable's Association. Inspector H. Gregory of the morality department joined the same year as the chief inspector. McClelland was one of the twelve policemen who, with Deputy Chief Stewart, assisted the military in the Pilgrim riots. He was complimented by the governor-general, Earl Aberdeen, and presented with a valuable pin for service as officer in charge of the police arrangements at the Victorian era ball, held in the armories in 1897, when 1100 people were present.

WANT ADDITIONAL ROOM

Chief Grasett asked the press to endeavor to assist in drawing the attention of the authorities in the city hall to provide additional office room for the police. Deputy Chief Dickson and Mayor Church, however, are more favorable to the erection of a police building. The police department need a building, and, owing to the cramped quarters of the courts, it is deemed advisable to move the police offices from the city hall. The idea of securing a site for such a building will be taken up by the commissioners in the near future.

AMPUTATION CLUB CAMPAIGN BEGINS

Amputation week. This is what this week should be termed. The campaign for the club house for amputees, which begins today, is a dead-end, if quiet, earnest, and will be carried forward to its fullest fruition on Saturday, when a tag day special will conclude the sacrifice of the women in charge, Miss E. Church, Mrs. Arthur Van Koughnet and Mrs. T. Albert Brown, Mrs. H. D. Warren. It will be recalled that the Amputation Club is renting quarters at the Church street, but the number of these men of sacrifice is assuming such proportions that the little quarters will no longer hold them. It is interesting to note that the theatres in Toronto have in many cases placed their houses at the service of the committee and more than a hundred feet of film showing the glories and sacrifice of service at the front will be shown during the week.

BISHOP SWANSON SCORE

(Continued) Bishop Swanson's appointment to the see of Vancouver was a landmark in the history of the Anglican Church in Canada. His appointment was a result of the long and arduous struggle of the Vancouver diocese to secure a bishop of its own. Bishop Swanson's arrival in Vancouver was met with a warm reception by the people of the city and the surrounding area. His appointment is a source of pride and joy for the Anglican community in Vancouver and throughout the Pacific Northwest.
