

WEYMOUTH has sent \$94.33, which is less than the last year by \$18.00. Yet the Missionary assures us that the claims of the Society have been diligently set before the people, and that the deficiency is caused in a great measure by the removal of some among the former subscribers. The list has been sent too late for the Report.

WILMOT has been omitted from the list of L. C.

WINDSOR has increased its contributions from \$146.00 to \$207.23 for this year; while the Forks, part of the parish, but under the care of Canon Hensley, has sent \$27.25, making in all \$234.58.

YARMOUTH has sent a list amounting to \$224. This parish now supports from its own resources an assistant missionary, and is engaged in building a new church at a large cost, yet it has not failed to respond to the appeal by increasing the return to the D. C. S.

CHURCH ENDOWMENT FUND.

In October, 1865, the Secretary submitted to the D. C. S. a statement shewing the amounts subscribed and paid in by the several parishes; he also reported that by the late Treasurer's book,—

Donations and subscriptions received amounted to, . . . \$46,823.03
Interest 3,890.75

\$50,713.78

Further subscriptions rec'd to Sept. 30, '65. \$4,646.23

Interest 4,148.96

8,795.19

\$59,508.97

Since that date there has been received to 15th

May, 1866, inclusive \$2,128.47

Interest 1,599.10

3,727.57

\$63,236.54

Investments now held are—

Mortgages, 6 per cent. \$43,752.00

Debentures P. N. Scotia (£3,100 stg.) 15,500.00

Deposit receipts 1,900.00

\$61,152.00

It is earnestly requested that payments from the country parishes be sent in to the Secretary with as little delay as possible, in order that this Fund may be made available (upon £20,000 being paid in) to meet the deficiency caused by the deduction in the sum allowed by the S. P. G., which is gradually increasing; and which, if not provided for, will cause a serious diminution in the clergy stipend.
