

## The Sweetest of the Charities— Caring for Helpless Sick Children.

# A \$50,000 Mortgage

Falls due this year. It is a heavy load that should be lifted at once.

With the aid of the many thousand friends and sympathizers who have helped the Hospital in the past this mortgage could be converted into an endowment.

## Reader, Won't You Help?

If you walked through the Hospital some day and saw the bright-faced children whose pain and suffering have been relieved, viewed the building and its equipment, you would agree that it is a charity well worthy of your enthusiastic support.

Half this load of debt can be lifted this year, if you contribute your share.

The property of the Hospital for Sick Children, together with The Lakeside Home for Little Children, and the furnishings, fittings and surgical appliances are worth \$217,025. Against this there is a mortgage of \$50,000.

We appeal to you. Help us NOW.
