

GOOD THINGS COMING TO THEATRES OF ST. JOHN

WILLIAM FAVERSHAM AT IMPERIAL TONIGHT

William Faversham makes his bow to the people of St. John on Imperial Theatre curtain today. He is introduced in the leading role of Frederic Arnold Kummer's powerful story, "One Million Dollars." Aside from the story value of this picture and its entertain-

ing merit, much interest will centre in the debut of the noted metropolitan actor of whom much has been heard in a theatrical way, but whom St. John has not had the pleasure of seeing act.

The Pathe British Gazette will include many other splendid subjects—pictures of the vacillating King of Greece, the Kitchener memorial at St. Paul's Cathedral, President Poincare inspecting giant guns, reception to wounded soldiers in Sydney, N. S. W., and about one dozen other engrossing subjects dealing with ourselves and allies. The bill will be concluded with an interesting comedy.

SWEET KITTY BELLIERS AT OPERA HOUSE TONIGHT

A beautiful and exciting romance of the days of the powdered wig and courtly gallants, is "Sweet Kitty Belliers," which will be the attraction of the Opera House tonight, under the direction of the Jesse L. Lasky Company, with beautiful Miss Murray in the title role. Miss Murray will be remembered as the heroine in the Lasky production on the Paramount programme, of the famous story of colonial days in Virginia, "To Have and to Hold."

MAY ROBSON HERSELF COMING

A clever comedienne in a role of laughter, supported by a capable company in a clever play—May Robson in "The Making Over of Mrs. Mat," will be the opening theatrical attraction of the season at the Opera House, commencing next Monday, Aug. 28. The engagement is for three days only.

SEE THESE TONIGHT OR TUESDAY AT THE GEM

William Collier and handsome Ed Marky are presented as stars in "The No-Good Guy," a gripping dramatic five reel story with sensationalism and comedy combined. It is one of the good old-fashioned kind that will hold interest every minute. The fun-making picture for the week opening is "A Dash of Courage," with Harry Grisham leading the rib-tickers. You know the Gem's specialties leave you all, and this is a good one.

FIND THE CHILDREN ILL

When three of the Sabean children, whose mother is under arrest, were taken to the Children's Home in Elliott Row, the Matron, Mrs. Milligan, saw at once that they needed medical attention. Dr. F. J. Hogan examined them and it was found that one was suffering from an infectious sore on her head, curvature of the spine and whooping cough, while another also had whooping cough. Fortunately they had been isolated. Rev. W. R. Robinson and Police Matron Ross sought to have them placed in the epidemic hospital, but the general hospital, Dr. Walker hoped, however, to be able to make room for the two little ones tomorrow.

ADMIT TORPEDOING STEAMER WITH FOOD FOR BELGIAN RELIEF

German to Notify Holland, Apologize and Offer to Pay Damages

The Hague, Aug. 21.—The German government has admitted that the Dutch steamer Rijndijk was struck by a German torpedo and has apologized and offered to compensate the owners, a Rotterdam shipping firm. The Rijndijk was beached after being struck. She was torpedoed off the Scilly Islands in last April while bound for Rotterdam from Portland with a food cargo for the Belgian Relief Commission. The Dutch shipping counsel which examined pieces of metal found aboard found that they were parts of a torpedoes made in Fiume, Austria.

FARMERS' LINE USED TO ROUSE THE COUNTRY

Workers Come From All Directions and Fine House is Saved

Berwick, N.S., Aug. 21.—The residence of S. B. Chute, one of the finest in the valley, caught fire about eleven o'clock this forenoon. The alarm was sent out over the Farmer Telephone line and in a remarkably short time an immense crowd gathered with buckets and ladders, and despite the high wind, soon had the fire under control.

FURTHER PLANS FOR LABOR DAY FAIR

A meeting of the general committee arranging a monster fair to take place on the Barrack square on Labor day, was held in city hall this morning. The committee is composed of Mrs. F. J. Harding, Mrs. J. J. White, Mrs. J. Boyle Travers, Mrs. Chisholm, Mrs. Miles E. Agar, Mrs. John Zwick, Mrs. A. W. Adams, Mrs. Vanward, Miss Travers, Miss Marion Moore, Miss Rosemond McAvity, Dr. J. H. Frink, James L. Sugrue and B. J. Tipton. Dr. Frink presided.

The Trades and Labor Council reported that arrangements have been made for a large committee to be supplemented to assist at the fair, also that arrangements have been made with the Temple of Honor Band, and in all probability the St. John Brass Band to furnish music during the day. The hope was expressed that the services of the City Cornet Band could be secured. They are under contract to play at Seaside Park that day, and an endeavor will be made to secure them for a short time at least.

The matter of amusements was referred to the Rotary club, and a feeling was expressed that they would assist. A grounds committee, consisting of members of the Trades and Labor Council and ladies representing the various societies interested, will meet tomorrow morning at the Barrack square to complete arrangements for booths, stands, tents, etc.

Protect Your Eyes

Those to whom nature has given extra good vision are apt to be rather proud of it and nearly always abuse it. The commonest complaints we hear of are regrets for impaired sight, which was once above the average. Good vision is priceless. Health, happiness and prosperity depend upon it, yet our eyes are being persistently injured and little attention is given to preserve their usefulness. The symptoms of eye-strain should be heeded.

A Good Thing To Know About Eyes

Good sight is largely a mechanical process. The shape of the eye and the way the muscles operate largely determine whether vision is good or not. Often good sight is secured only through constant straining of the muscles of the eye. Such strain, unless corrected, invariably leads to serious trouble. Eyes change with age, so the wise person has a thorough examination of the eye made every year or two. Let us watch your eyes and you will see better for a much longer time.

SOUTH BAY FAIR WILL BE CONTINUED TONIGHT

Owing to the large number of useful and costly prizes not disposed of, it was considered advisable to hold the fair open on Monday evening from 7 to 10 o'clock which will give those unable to attend on Saturday an opportunity to obtain one or more of the beautiful prizes, or to get a dollar's worth of groceries for ten cents and enjoy the many other features of the splendid pike. One of the booths which was particularly attractive to many was the fine display of fresh vegetables donated for the benefit of the cause by S. Stern, of South Bay. One cabbage which weighed about 28 pounds was purchased by His Worship the Mayor and returned to be re-sold and will be auctioned off tonight. Those owning automobiles will have an opportunity of obtaining a barrel of White Rose gasoline for perhaps a few cents. There are over \$700 worth of prizes to be disposed of. Dame Fortune will be there on Saturday to read the hand to give a glimpse into the future.

If it is cold and foggy in the city this will be a nice way to spend a pleasant evening and escape the fog. There will be special conveniences from the end of Fairville car line to Mr. Baker's grounds where the fair will be held, return fare to be only ten cents. Everybody come and enjoy a pleasant evening. Proceeds are to give our soldiers comforts in the trenches.

THEY WILL GET AFTER YOU

Challenge to the Confectioner to Put Brains and Energy into the Soft Drink Trade—Liquor Men See the Signs of the Times and Fall in Line.

Just watch a good bartender prepare a drink and make a comparison with the work of most of the white coated dispensers that are supposed to ornament and enhance the service of a first class soda counter in our large cities. In the first place there is usually a lack of interest in his work on the part of the soda attendant which shows itself in the careless and often stupid handling of the ingredients at his disposal. The bartender makes liquor mixing an art and liquor drinking a mystic 'rite, while the average soda dispenser goes at his work in the cheap and nasty spirit that seems to want the process over as soon as possible and the drinker off about his business.

If soda dispensers are to profit by the banishment of strong drink in this and other provinces they will need to sit up and take notice. If the hotel people, as is evidently their intention, get after the soft drink trade, they will certainly give the confectioner a run for his money. The time to waken up is now, not when the confectioner has discovered that the hotel bar around the corner is getting the men while women and children afford his apparatus a scant patronage.
