Vot Ditmar created a sensation when he took the witness stand and confessed guilt to every count in the indictment against him. He gave a full account of his activities with and detailed the working of the German monarchist society known as "Consul." He said he had learned while in prison the organization was not guided by national matricipal and substitute aims but was merely tional matricipal aims but was merely to the took the witness stand and confessed guilt to every count in the indictment against him. He gave a full account of his activities with and detailed the working of the German monarchist society known as "Consul." HAVE CELEBRATION

Trivett, sub Dean of the Shanghai Cathedral, tells of some of the trouble in China in letters to Mrs. Trivett, who is visiting her parents, Rev. Principal and Mrs. O'Mear, Wycliffe College here. In a letter written on June 1 he describes the scenes on the Naking Road (the main shipping street of Shanghai).

WARMLY TORONTO, July 3.—Rev. A. C. S.

Three Days.

Road (the main shipping street of Shanghai).

There was a great procession of Chinese students bearing the banners on which were written such slogans as "restore all foreign settlements to China," "cancel all unequal treaties" and "let us rescue the students who have been arrested." They tried to live up to the latter banner by raiding the jail and when they shouted "kill the foreigners," the jail guards opened fire. Nine were killed in the riot. Armored, that is fast passing in Canadian his tory are to be seen everywhere. On the east side of the town 1100 bloods
