POWER COMPANY CASE GOES OVER

Utilities Board to Hear Claim
at Next Regular Meeting

Up River Matters are Taken Up
—Getting on Well Clearing
Interferences Here.

The case of the New Brunswick Power Company vs. the City of Saint John, in which the company charges city discrimination in the rates charged for water, was not heard this morning by the New Brunswick Board of Public Utilities, but will be taken up at the next regular meeting. The postponement was granted at the request of A. N. Carter, who explained that Hon. J. B. M. Baxter, city solicitor, was out of the city.

Dr. F. R. Taylor, representing the Power Company, said he was willing to have the postponement asked for provided the board would take the day into consideration when naming the amount the city must refund if the board found in favor of the company. The company contended that they are entitled to the rate charged to manufacturers, and that under that rating they are entitled to the return of about \$11,000 refund.

OTHER MATTERS

H. H. McLean, Jr., asked that action be taken on the application of the Electric Light Commissioners of McAdam for approval of the contract entered into between the Commissioners and the C. P. R. for the supply of electric current to the town of McAdam. This is a 10-year contract and has been approved of by both parties to it. The chairman of the Utilities Board, J. M. Trueman, said a decision would be given at the special meeting on September 8.

An application by E. A. Rellly, K. C., on behalf of the Tuque Arena Co., Ltd., of Moncton, for permission to issue certificates, was referred to the chairman and Mr. LeBlanc to deal with.

SAINT JOHN WORK

The chairman said he had received a report from N. F. Nutter that satisfactory progress was being made in clearing the interferences between the city distribution system and that of the New Brunswick Power Company. The chairman said that authority had been granted by the Dominion Automatic Train Control Co., Ltd., to sell \$25,000 worth of stock. Brooks, Mr. Burpee asked if there was any stock in New Brunswick, and the chairman said they had not. Mr. Burpee said they had made an effort to sell stock in Fredericton and the secretary of the board was instructed to write to Ottawa to see if the company had a Dominion charter.

R. P. STARR WEDS MISS HENDERSON

Ceremony of Much Interest
Today in Centenary
Church

Rev. R. G. Fulton Officiates—
Colorful Scene as Troth
is Flighted.

The marriage of Richard Peniston Starr, son of Mr. and Mrs. Frank P. Starr, Carleton street, son of a family long connected with the business and social life of this city, to Marion Ida Cooper Henderson, daughter of Mr. and Mrs. William A. Henderson of the executive staff of Manchester, Robertson, Allison Ltd., in Centenary Methodist church just before the noon-hour today was the occasion of much social brilliance and a very pretty ensemble. It was bride's weather that graced the day and the formal apparel of the male guests, sprinkled with colorful military uniforms, the bride's exquisite attire and the white bridesmaids, first in the dignified setting of the church with its sweetly solemn music, then the prettily-decorated home on Mount Pleasant, conspired to give the young couple a most auspicious day for their wedding vows.

THE CEREMONY.

Rev. R. G. Fulton, performed the ceremony, Miss Hies presided at the organ and during the signing of the register L. L. M. Curran sang "The Touch of Love" to the violin obligato of Mrs. Harold Macmillan. The bride was attended first by her sister, Miss Margaret Henderson, as maid of honor, while Misses Ruth Starr, the groom's sister and Ruth Robinson of Robbsey were the bridesmaids. Cecil D. Fitzgerald, formerly of this city but now of Boston supported the groom and the bridesmaids were Edith Alward, Richard Starr, David Turnbull and Graham Taylor.

The bride was charmingly gowned in white crepe de chine with veil dotted with orange blossoms and carried a bouquet of white roses, mixed with sweet peas and fine fern. Her maid of honor wore pale flame crepe de chine with hat to match and the bridesmaids peach-colored crepe de chine with corresponding hats.

LUNCHEON AT HOME.

After the ceremony at the church the bridal party and guests repaired to the home of the bride's parents in Mount Pleasant avenue, where luncheon was served. The rooms were prettily decorated in summer blossoms and over the table was suspended a bride in white roses. The staircase in the reception hall was dotted with old-fashioned nosegays and the bridal motif was tiny bride-dolls surrounded by flowers.

The splendid array of gifts covered a wide range of useful and ornamental articles. The R. P. & W. F. Starrs gave a large silver platter; there was another gift of a piano and chests of silver and cutlery, fine china, clocks, furnishings and rich furs were included.

Mr. and Mrs. Starr will leave this afternoon on a motor honeymoon towards the west and will be away about a fortnight. They will reside in the city.

HERE FROM PANAMA TO VISIT OLD HOME

Harry Fielding is on Staff of
U. S. Protecting Canal
Zone.

Among visitors to Saint John this week is Harry Fielding, now of Panama and a member of the U. S. staff protecting the Canal Zone. A few years ago he was a school boy in Saint John and is here for the first time since engaging the U. S. service and going to the tropics. He has much to tell of life and happenings in the district five miles wide on either side of the entire length of the Panama Canal which is under control of the United States, and requires constant and strict supervision. The canal does an enormous business, running into millions of dollars monthly, he says, and must be of immeasurable value to commerce.

Life on the Isthmus has been made quite safe and comfortable by scientific and sanitary engineering, and there is a growing population from all parts of the world, though the prevailing language is Spanish.

Mr. Fielding is accompanied by his wife, formerly Senorita Marguerite Villafraña, of Balboa, Costa Rica, and they are guests of relatives, Mr. and Mrs. Fred W. Emms, 247 Douglas avenue.

ROTARY MEMBERS AWAY ON OUTING

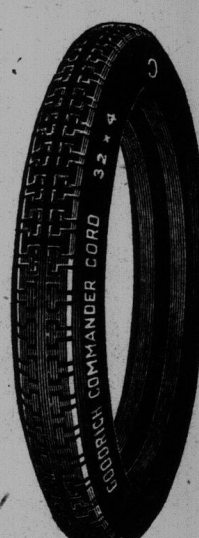

With Wives and Guests Make
Party of Hundred at Belyea's Point.

The Rotary Club members are away this afternoon on an outing at Belyea's Point on the Saint John River. They left the Court House about 2:30 o'clock in automobiles, and with their wives and other guests, numbered a party of about 100.

An attractive programme had been arranged for the afternoon, including sports and an item of special interest was an out-door game of bridge, with nice prizes for the winners. Supper is to be served outdoors by Mrs. Belyea and the return to the city will be made in the early evening.

ARE WELL PLEASED

Mr. and Mrs. W. N. Campbell and daughter, Miss Geneva, of Toronto, have returned to Saint John after a motor trip to Halifax. They are at the Admiral Beatty and are very enthusiastic about the beautiful scenery in and about Saint John.
