For every wash-day method

RINSO is ideal for any wash-day method you use. You do not have to change any of your usual steps—just use Rinso where you used to use ordinary soap.

If you like to boil your white cottons, Rinso will give you just the safe cleansing suds you need in the boiler. If you use a washing machine, follow the advice of the big washing machine manufacturers—use Rinso.

Just soaking with this new kind of soap loosens all the dirt until a single rinsing leaves the clothes clean and spotless.

However you do your wash, make it easy by using Rinso.

If you use a Washing Machine, soak your clothes in the Rinso suds as usual. In the morning add more Rinso solution and work the machine. Then rinse and dry—you will have a clean sweet snow-white wash.

Every Summer Day!

HOW luring is this dish to every member of the family—and how good a food it is for them to eat every summer day.

Each grain of Puffed Rice is a light, crisp, flaky morsel with an irresistible, nut-like flavour.

Each grain is a whole kernel of rice—rich in minerals. The milk supplies vitamins. This luscious combination makes a most nutritious food.

Each grain is steam exploded for quick digestion.

Serve as many ways as you can.

Quaker Puffed Wheat—another steam-exploded, whole-grain dainty. Let the children have Puffed Grains at any hour of the day. With milk as the bed-time dish it induces restful sleep.

Keep both on hand in plenty.
