

WINTER STYLE SHOW IS CANCELLED

H. W. Rising Tells of Plans
of Shoe Retailers' Association.

Harold W. Rising of Waterbury & Rising, Ltd. has returned from Montreal, where he attended a meeting of the National Shoe Retailers' Association. Mr. Rising said that the winter style show of the Manufacturers' Association was to be cancelled for this year, but that the annual meeting of the retailers would be held at the Windsor Hotel, Montreal, on Monday, Jan. 12, at 10 a.m.

At noon on that date a banquet will be held in order to finish the business of the meeting before 8 p.m. so as to enable as many members as possible to leave at that hour by special cars for Boston, in which city will be held the annual style show of the American shoe manufacturers on Jan. 13, 14, 15 and also the National Shoe Retailers' convention, which will be in session from Jan. 12 to 15.

The retailers' executive decided not to affiliate with the Retail Merchants' Association for the present but to carry on as in the past.

Among those attending the meeting were Howard C. Blackford, James W. Jupp and George St. Lege of Toronto, A. C. Lockett of Kingston, Geo. C. Gales, C. R. La Salle and Amie de Montigny of Montreal and Mr. Rising, St. John.

The melancholy days are here
The days replete with sorrow
You clean the lawn of leaves today
But they're all back there tomorrow.

It's Your Money— What are you going to do with it?

Among those who read this, there should be many who have saved their first \$500 or \$1,000. Now their serious concern is how to invest it safely so that it may earn a substantial rate of interest.

There is an old saying that "the man who is his own lawyer has a fool for a client." We would not be guilty of adapting this to the man who is his own investment banker, but it is the fact that those who make their first investment without taking the advice of a reputable firm of investment bankers often have cause to regret it.

As an old established and possibly the largest firm of Corporation Financiers in Canada we would be the last persons to claim infallibility in the matter of giving investment advice. But from our experience it stands to reason that we have acquired knowledge which should be and is of incalculable value to intending investors—particularly those who are about to make their initial investment.

Frankly, if you are in this position we want you to consult us in the matter. Be assured that our recommendation will be sound and be made with an eye single to the security of your principal sum and the development of your good will towards this Institution.

If anything happened to you, would he have to leave school and take the first job which offered in order to help his mother keep the home together?
