Three in Scrap.

Began to Improve After Taking "Fruit-a-tives"

The Medicine Made From Fruit You can get rid of Rheumatism. You can be free of pain—of swollen hands and feet—of aching arms, legs

Wilkesbarre, Pa., Feb. 19—A scheduled ten-round bout between Frank Moody of Wales and Joe Jackson of Philadelphia, in the Armory A. C. here last night, ended in a row in the seventh round when Al Dewey, formed lightweight boxer and now matchmaker of the club, jumped into the ring, pushed Referee J. D. Kelly through the ropes and started to officiate. Kelly had had difficulty making Jackson "break clean."

The boxers clinched and Dewey separated them and pushed Jackson against the ropes, Jackson turned on Dewey, who immediately hit him with an overhand right to the jaw and matchmaker and boxer blazed away at each other until police and fans rushed into the ring and separated them.

There was speculation as to the winner of the bout, for the official referee was still out of the ring and the judges made no ruling when the police dispersed the crowd.

In the first bout Young Detto, a Filland back.

"Fruit-a-tives" will drive the cause of Rheumatism out of the system and give you permanent relief.

"For over three years, I was confined to bed with Rheumatism. Finally I decided to try "Fruit-a-tives". Before using half a box, I noticed improvement. I continued taking "Fruit-a-tives" improving all the time. I can now walk about two miles and do chores around the place".
