## Fiance of Queen Mary's Niece Is Noted Horseman

London, April 10.—(A. P. by mail.)  
—An epidemic of betrothals among  
the aristocracy has been competing for  
space in the London press with the  
Duke of York and Lady Elizabeth  
Bowes-Lyon wedding. Next to the  
royal nuptials, copper and chatter are  
mostly concerned with the announce-  
ment that Lady Mary Cambridge, a  
niece of the Queen, is to become the  
bride of the Marquis of Worcester,  
twenty-three-year old son and heir of  
the Duke of Beaufort.

Lady Mary will be the third of Prin-  
cess Mary's bridesmaids to become a  
bride. Her family has been quite  
strongly touched by cupid this spring.  
Lady Mary is two years the senior  
of her future husband. He is one of  
England's most famous horsemen, and  
perhaps no other marquis in all the  
world takes fox-hunting so seriously.  
It has become his greatest occupation,  
this carrying on of a family tradition  
by leading the Duke of Beaufort's  
hounds, since the fifth Duke of Beau-  
fort, during the eighteenth century,  
the mastery of the pack has invari-  
ably been vested in the reigning duke  
or his heir.

The Marquis of Worcester rode to  
hounds almost as soon as he could  
walk. Perhaps "Tally-ho" was one of  
the first words he learned to say. At  
the age of ten the Duke gave him his  
own pack of harriers, twenty-one  
hounds, and of late has joined the hunt  
become the youngest master in Eng-  
land.

Frequently during the last winter  
Lady Mary joined her fiance in riding  
to his popular pack. The Prince of  
Wales, too, of late has joined the hunt  
on several occasions behind the Marquis  
of Worcester.

General of the State of Michigan,

secution of the case of the  
Purnell cult, is a native of West  
St. John, and left here about fifty  
years ago.

## ROTARY CLUB TO SUPPORT ATHLETICS

Annual Meeting Held Last  
Night—Review of Work  
of Year.

That they would lend their efforts  
towards having a running track and  
playing field on Allison playgrounds  
rushed forward to completion was a  
decision arrived at last evening at the  
annual meeting of the members of the  
Rotary Club, which was held in the  
Telephone Company's building. Annual  
reports were received and the new of-  
ficers took over their new duties. Dr.  
J. H. Barton, the retiring president,  
gave an interesting review of work  
done by the club during the year. He  
thanked all their hearty co-operation  
and support and urged that the same  
be extended to his successor.

The report of the secretary, Donald-  
son Hunt, showed that six of the mem-  
bers had been in attendance at every  
meeting of the club during the year.  
The attendance generally had been  
satisfactory. The activities of the club  
had been extensive and the secretary  
pointed out where improvements could  
be made. Picnics, motor drives and  
chicken dinners had been given boys,  
but he hoped for a wider range in this  
work during the coming year.

The Christmas cheer committee had  
done splendid work. Thirty-three boxes  
had been distributed and needy fam-  
ilies assisted.  
The club had assisted sport and done  
much for the advertising of St. John  
when in conjunction with the Y. M. C.  
I. the International Outdoor Stating  
Championships had been staged here.  
An Honor.

Mr. Hunt called attention to the  
election of Dr. H. L. Spangler as Dis-  
trict Governor and said this was a great  
honor for the St. John club. Fifteen  
new members had been added during  
the year, but twenty-one had with-  
drawn. The membership at present  
was 103.

The members who were credited with  
perfect attendance at the meetings  
were: William C. Clarke, M. C. Ewing,  
Don Hunt, Robert Reid, Bruce Mc-  
Pherson and Stanley C. Webb.

In closing his report Mr. Hunt asked  
for the full support of the club for the  
new officers.

The historian, Alexander Wilson,  
gave a very interesting review of the  
year's work and this was followed by  
very hearty votes of thanks to the re-  
tiring secretary and treasurer, each of  
whom had held office for several years  
and given very notable service to the  
club. The new officers were called to  
the platform and introduced by Mr.  
Hunt. They were: President, Canon  
Armstrong; vice-president, Mont  
Jones; secretary, Otis J. Fraser;  
treasurer, A. I. Foster; additional  
members of the executive, Carl  
Fraser and W. A. Clarke.
