

## SAGE TEA DANDY TO DARKEN HAIR

Look years younger! Use the old-time Sage Tea and Sulphur Compound and nobody will know.

You can turn gray, faded hair beautiful and lustrous almost overnight if you'll get a bottle of "Wyneth's Sage Tea and Sulphur Compound" at any drug store. Millions of bottles of this old famous Sage Tea Recipe, improved by the addition of other ingredients, are sold annually, says a well-known druggist here, because it darkens the hair so naturally and evenly that no one can tell it has been applied.

Those whose hair is turning gray or coming faded have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful.

This is the age of youth. Gray-haired, unattractive folks aren't wanted around, so get busy with Wyneth's Sage and Sulphur Compound tonight and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days.

This preparation is a toilet requisite and is not intended for the cure, mitigation or prevention of disease.

## Refined, Delicate Skin Secured by Absorption

No complexion can be considered beautiful if the skin is coarse in texture. This trouble can be overcome by thoroughly cleansing the pores, removing the dirt which made the skin rough. For this purpose there's nothing better than the mercurized wax process. The wax completely absorbs the rough, muddy or discolored outer skin and unclogs the pores. The fresh, young skin underneath then is evidence in exquisitely delicate, refined and tender skin. It is kept so, as the pores now freely expel effete matter and drink in the life-saving oxygen.

Mercurized wax, because of its wonderful absorption power, is fast superseding other treatments for coarse, simply, yellow, freckled or blotchy skin. It is applied at night like cold cream and washed off next morning. It is perfectly harmless, of course, and can be found in any drug store or toilet section.

## Professor Says: "Internal Baths Give Best Results."

Horace T. Dodge, M.D., Professor of Materia Medica, 25 Jacobson Bldg., Denver, writes: "Tyrrell's Hygienic Institute of New York as follows:

"I can truthfully say that I have had the very best results in my experience with the J.B.L. Cascade. You certainly have struck the keynote of many diseases."

By means of the "J.B.L. Cascade" simple warm water cleanses the lower intestine the entire length, removes all the poisonous waste therein and keeps its course pure, as Nature demands it shall be for perfect health.

You will be astonished at your feelings the morning after taking an internal bath with the "J. B. L. Cascade." You will feel bright, brisk, confident and as though everything is working right—and it is.

It absolutely removes constipation, headaches, biliousness, rheumatism, and prevents Auto-Intoxication.

E. Clinton Brown, Druggist, Union and Waterloo streets, St. John, P. N. Munroe, Dispensing Chemist, 207 Main street, St. John, will show and explain the "J.B.L. Cascade" to you, and will also give you, free on request, a most interesting booklet, "Why Millions Today are Only 50 years Old," by Dr. Chas. A. Tyrrell of New York. ## How Will You Feel Two Weeks From Today?

Weak, Nervous and Tired Out—or Strong, Vigorous and Full of Energy?

New York Physician Tells How Nuxated Iron Increases Strength and Endurance of Nervous, Weak and Run-Down People in Two Weeks' Time, in Many Instances.

"One of the most remarkable things to me about the use of organic iron—Nuxated Iron," says Dr. Feinman, King New York Physician and medical author, "is the health-giving and strength-giving effect. Patients come to me worn out with the nervous struggle of modern life, under-nourished because of modern methods of cooking, and often their run-down condition is due largely to lack of iron in the blood. I prescribe organic Nuxated Iron—and in many cases they come back to me in two weeks' time with sparkling eyes and a new vigor in their step—like different people with a happier, healthier outlook on life—all because they have given their blood the iron for which it was starving."

"Iron is the red blood food," Dr. King adds, "that helps strengthen the nerves, restore wasted tissues and give renewed force and power to the whole body. Lack of sufficient iron in the blood not only makes a man nervous, unhealthy and easily fatigued, but it robs him of that virile force, that stamina, that strength of will so necessary to success. I strongly advise every man who is fagged out by worry, work and other strains to build up his strength, energy and endurance by taking pure organic iron—Nuxated Iron—for I consider it one of the foremost blood and body builders the best to which I ever had recourse."

Confirming Dr. King's opinion on the great and almost immediate benefits felt from Nuxated Iron, former United States Senator William E. Mason has this to say: "I gave Nuxated Iron a test. The results have been so beneficial in my own case that I have made up my mind to let my friends know about it and you are at liberty to publish this statement if you so desire. I am now sixty-five years of age and I feel that a remedy which built up the strength and endurance of one of my age, should be known to the world."

Judge S. W. Atkinson, of the United States Court of Claims at Washington, gave the following as his experience with this nerve tonic and strength builder:

## Keeps Hair Curly in Most Trying Weather

You needn't worry about damp or windy weather spoiling the wavy appearance of your hair if you use the silmerine curling method. And you can dance all evening without having your tresses stringing all about your face.

If you've never tried this simple method by all means procure a bottle of liquid silmerine from your druggist and follow the accompanying instructions. It will enable you to have just the prettiest waves and curls, so natural looking no one will guess they were artificially produced. The curliness is quickly acquired and lasts considerably longer than when the heated iron is used. When the hair is combed out it will be delightfully soft and fluffy. The life, lustre and beauty of the hair are preserved by the use of this harmless product. Therefore it is also prized as a beneficial dressing for the hair. It is quite pleasant to use and leaves no sticky or greasy trace.

## CATARHAL DEAFNESS MAY BE OVERCOME

If you have Catarrhal Deafness or head and ear noises or are growing hard of hearing go to your druggist and get 1 ounce of Parment (double strength), and add to it 1/4 pint of hot water and a little granulated sugar. Take 1 tablespoonful four times a day.

This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing become easy and the mucus stop dripping into the throat. It is easy to prepare, costs little and is pleasant to take. Anyone who has Catarrhal Deafness or head noises should give this prescription a trial.

## FRECKLES

Now Is the Time to Get Rid of These

There's no longer the slightest need of feeling ashamed of your freckles, as Othine—double strength—is guaranteed to remove these honey spots.

Simply get an ounce of Othine—double strength—from any druggist and apply a little of it night and morning and you should soon see that even the worst freckles have begun to disappear. While the lighter ones have vanished entirely. It is seldom that more than an ounce is needed to completely clear the skin and gain a beautiful clear complexion.

Be sure to get the double strength Othine as this is sold under guarantee of money back if it fails to remove freckles.

HOTEL \$9,000

Chicago, April 24.—In the bright lexicon of married life, thought J. C. Brock, house detective at the Morrison Hotel, there is no such word as "sweetheart."

The sleuth heard Cassius C. Smiley, a guest at the hotel, call a woman "sweetheart" one night. He knocked on the room door and when Smiley opened it he made his way in. Smiley put up a fight with the detective and was badly hurt and hid in the cupboard. Later the detective discovered that the woman was the proprietress of the hotel and had paid the proprietors of the hotel had to pay.

Doesn't hurt a bit to lift sore, touchy corns off with fingers.

Nuxated Iron has restored my appetite and vitality. I feel that I have dropped off the burden of months of toil in the few weeks I have been following the very simple directions for the use of Nuxated Iron.

If you feel your youth and health slipping—look pale or haggard—feel nervous, irritable or weak—seen to be losing much of your ambition and interest in life—you certainly owe it to yourself to make this simple test of Nuxated Iron which Dr. King strongly recommends.

See how long you can walk or how far you can walk, without becoming tired. Next take two five-grain tablets of Nuxated Iron three times per day after meals for two weeks. Then test your strength again and see how much you have gained. Nuxated Iron is used by over 3,000,000 people annually to build up red blood, strength and endurance.

Manufacturers' Note: Nuxated Iron, which is prescribed and recommended above by physicians, is not a secret remedy, but one which is well known to druggists everywhere. Unlike the older inorganic iron products it is easily assimilated, does not injure the teeth, make them black nor upset the stomach. The manufacturers guarantee successful and entirely satisfactory results to every purchaser or they will refund your money. It is dispensed in this city by Ross Drug Co., S. McDiarmid, E. Clinton Brown, Watsons Drug Stores and all good druggists.

## 10 Years of Eczema —A Sample Cured Her

Are you reading the weekly Canadian letters, telling stories of suffering from skin diseases and how cure was effected?

Here is part of a letter from Mrs. Henry H. Wray, Black Lake, Que. Write her if you desire "Ten years of eczema on the face. Treated unsuccessfully by doctors. ## BIG THINGS ARE IN VIEW HERE FOR BOY SCOUTS

(Continued from page 18.)

The Scout troop practiced the new drill which is to be used for the Thome trophy competition. Later the scoutmaster gave instruction in astronomy for the boys and also there for a short while. After the roll was called Mr. Narrows spoke a few words to the boys and said that he wanted every Boy Scout in the city to know him and to pay a visit to headquarters office at any time. The boys received some very useful advice and instruction in knot tying from Mr. Millard, a friend of the troop and an old seaman. This helped the boys to pass their tests more easily.

Before Mr. Eaman left he presented second class scout badges to the following boys: Paul Prebble, Herbert Warren, Edmond Chert and Edward Perry. He also presented the electrician badge to Norman Betz, the scoutmaster. After some good work was done studying for the meeting the following badges were presented—Second Class, R. Horncastle, R. Boyne, Tenderfoot, C. Sowerby. The meeting then came to a close with the singing of the national anthem.

15th, Centenary Troop.

The 15th, Centenary Troop, met as usual on last Friday evening. Games were played followed by scouting practice under Scoutmaster Dinmore. Following the regular meeting the officers made a court of honor, for the discussion of troop business. Several important matters were discussed and decided upon. The court of honor, when properly managed, is one of the most attractive and most beneficial parts of scouting.

Last Thursday evening Centenary Troop were entertained by the girls of C. I. T. group of that church, under Mrs. Langstroth. A most enjoyable evening was spent playing games, singing and socializing. Refreshments which were greatly appreciated by all.

Douglas Avenue Christian Troop.

The Douglas Avenue troop is progressing in excellent style; many of the boys being almost ready to pass the tenderfoot tests. Scoutmaster Bidwell is well pleased with the progress being made and expects to round out one of the best troops in the city before very long. The troop deeply appreciates

the assistance of Scoutmaster Dunlop of the 18th Troop.

Victoria Street Baptist Troop.

On last Tuesday evening Victoria Street Troop held its fourth meeting and were immensely proud of the fact that three of the members had succeeded in passing the tenderfoot tests. A boy is not a Scout until he passes these tests, and these three may therefore be regarded as the pioneers of this troop. They were sworn in as tenderfoot scouts by Assistant Provincial Commissioner Eaman. Scoutmaster Clarke now feels that the troop is in a position to enlarge its membership limits and he will welcome any boys over eleven years of age to his troop. No troop in St. John has started off with brighter prospects than Victoria Street Baptist Troop has at present and its progress will be watched with interest by all scouts.

Notes.

The public are urged to attend the open session of the Leaders' Conference on next Friday evening in Trinity church at which a demonstration of a troop meeting and a court of honor will be given. Too many people have no idea of how scouting is carried on.

Scouting today is one of the greatest religious forces affecting the youth of the world, and yet to the casual observer there is nothing of a religious nature about it. Only a fact which should be known, however, is that before the

## Mending is One of Mother's Multiplicity of Duties

Unfortunately, it is usually necessary for the busy mother to leave the mending until some quiet hour when the children have been got off to bed. This necessitates working by artificial light, with unusual straining of the eyes.

It is this straining of the eyes which makes one feel so tired after mending, sewing, shopping, or doing fancy work.

When you think of how constantly the eyes are employed, and of the continual changing of the focus to suit the distance of the object viewed, you may not be surprised to know that the optic nerve consumes an enormous amount of nervous energy.

For this reason straining of the eyes brings on fatigue, and often leads to nervous breakdown.

There is no magical way by which exhausted nerves can be restored.

It takes time and patience in order that the depleted nerve cells may be nourished back to health and vigor, but you may be sure of satisfactory results if you use Dr. Chase's Nerve Food regularly.

We know that Dr. Chase's Nerve Food is composed of the vital substances which go to the upbuilding of the nervous system. We have the utmost confidence in its curative properties, because we have seen it tested in so many thousands of cases. But how are we going to prove this to you unless you try it? You are the one to be benefited, so it remains for you to make the test.

Try it when you feel tired out and discouraged. Try it for nervous headache and indigestion. It is not a mere relief, for this reason you must persevere in its use until the lost vigor is restored to the nerves. The fact that the results are both thorough and lasting will encourage you to continue the use of this food cure until you feel strong and well.

Made a Job of It.

Baltimore, April 24.—Harrison O. Lamb, a soldier at Fort McHenry, by marrying Mrs. Ida C. Phoebe has become the step-father-in-law of his former "buddie," George A. Reams, who married her daughter on the same day. The two soldiers were boyhood friends and met by chance at Fort McHenry. They met the widow and her daughter at a dance and both couples were married on the same day.
