Read what Miss L. L. Hanson, Waterside, N.B., says: "I feel it my duty to
express the benefit I have received from
Milburn's Heart and Nerve Pills. A year
ago last spring I began to have heart
failure. At first I would have to stop
working and lie down for a while. Then
I got so bad I had to give up altogether
and go to bed. I had several doctors
attend me but they did me no good. I
could get no relief until urged by a friend
to try Milburn's Heart and Nerve Pills.
Before I had used three quarters of a box
I began to feel the benefit and by the time
I had taken three boxes I was completely
cured."

At about four o'clock a fire had been located in the same building, but it was thought to be extinguished. It broke out, however, again in the story below.
