ARMENIAN POPULATION OF ANTIOCH WIPED OUT

Massacres Continue—Country in a State of Terror—Refugees Seek Protection—British Party Refused Permission to Land—Sultan Appears on the Street.

BEIRUT, April 23.—The Armenian population of Antioch and vicinity has been practically wiped out in the massacre of the last few days by fanatical Moslems. Thousands of destitute Armenian widows and orphans still are in the district unable to get away. There is no security anywhere in the vicinity of Antioch. The situation in Alexandria continues to be serious. Bisha is still holding out against the tribesmen that surround it. Beirut is quiet as yet, but there is great tension between the Christian and the Moslem population. Troops are arriving here and the authorities are taking energetic measures for the preservation of order. Many people are leaving Beirut for the Lebanon. The British cruiser "Diana" came into port today.

ALEPPO, Asiatic Turkey, April 23.—Many refugees have arrived here from the Alexandria district. Their condition is miserable. The alarm bells are still ringing among the Armenians of a recurrence of the attacks upon them.

I.C.R. GATEMAN MUST USE BETTER JUDGMENT

Chinaman Allowed to Go on Suspended Sentence.
Court Delayed While Savor is Purchased to Administer Chinese Oath—A Nice Bunch of Drunks.

There were nine tough looking individuals on the prisoner bench in the police court this morning. All were charged on the police book with being drunk, while the charge read in the court against Frank Taylor and Michael Powers was for fighting. Both men pleaded not guilty and Officer Stevens gave evidence that the two men had been about Water street from 7.30 until ten o'clock visiting the bar-rooms, and while staggering along the street after ten o'clock they were hauled and pulled at each other.

Among the drunks was Joe Diggs who was arrested on Prince Wm. St. He claimed that he only had a couple of glasses of ale, and on account of an injury to his stomach it affected him. The man was fined eight dollars in default of paying eight dollars, and the magistrate remarked that it would give the "injured stomach" a rest.

One North End drunk, who looked little cleaner than the others, was told by the court that he was too decent a looking object to be mixed up with the rest of the bunch. He was fined four dollars.

John Connors said it was ten months since he had been in jail. The plea did not hold and he was fined two dollars in default of paying eight dollars.

Merly McLaughlin, a 17 year old youth hailing from Sussex, was fined two dollars or ten days for drunkenness and \$2 or two months for being profane in the Union Depot. When asked where he got the liquor he said he had been in a bottle house for a bottle. The magistrate said: "I did not think they had such a foot in the door here. You drink from a bottle handed to you by a man whom you don't know, and you are not poisoned, yet when you get out of jail you will realize that it is a 17 year old boy running about St. John drinking rum."

McLaughlin complained to the court that he had \$17.75 in his pocket when he was arrested, and that all he was receiving from I. C. R. Policemen was \$3 cents.

The officer said that it was all that McLaughlin had in his pockets when arrested. It is reported that he was young fellow lost his money while drunk on the train. The other drunks were sent to the lock-up.

Sing Kee, a smart and well dressed Chinaman, was represented in court by E. S. Ritchie. Kee was charged by Peter Sheehan, an I. C. R. policeman with lifting up the gates at the Mill street crossing and passing through. The gateman gave evidence that the offence happened on Monday afternoon about 2.30, and when asked for an explanation the Chinese said he was in a hurry. He was then given in charge of Policemen Belyes, who locked him up.

Mr. Ritchie placed his client on the stand but as there was no saucer in the case was adjourned for about ten minutes and the defendant was allowed to leave court for the purpose of purchasing a saucer. When he returned Police Clerk Henderson broke the saucer and told the Clerk that if he did not tell the truth his soul would be cracked like the saucer.

Sing Kee then told the court that he was a waiter in a restaurant and that he was sent to friends in China and as he had the money he was sent to the bank to get some money which he wished to send to friends in China and as he had the money he was sent to the bank to get some money which he wished to send to friends in China.

Wm. Daley, a coachman, was charged by I. C. R. Policemen Smith with going beyond the stand allotted for coachmen at the Depot. Policemen Smith gave evidence that he saw Daley inside the railing. The case was adjourned until tomorrow morning to enable Smith to get another witness.

PREPARATIONS FOR STRIKE AT SYDNEY
625 Special Policemen Sworn in Today
Vice President Says Company is in Accord With Duggan's Policy—Strike Expected on May 1st or 15th.

SYDNEY, N. S. W., April 23.—At this morning's session of the Cape Breton County Council the appointments of 625 special police officers were approved and they will be sworn in to office by the magistrates next week. These appointments were made at the request of the Dominion Coal Company who are preparing against a strike at the collieries. The request is made by the company in order to protect their workmen and members of the Provincial Workmen's Association, who have decided to remain at work. The P. W. A. lodges have unanimously passed resolutions that they would faithfully carry out the two years' contract made by the award of the conciliation board.

The United Mine Workers officials claim that if they do not receive recognition and if the committees are not received by the general manager of the company, they will call a strike. They have deposited \$20,000 as a preliminary strike fund, and additional financial assistance will be given by the International Board of the United Mine Workers of America.

The strike representative had an interview with P. L. Wanklyn, vice-president of the company, who is now here, and he gives an unqualified denial to the report that General Manager Duggan was to be retired owing to his policy on the labor situation.

Mr. Wanklyn said he had been in communication with Mr. Wilson, who has assured him that he is and ever has been in complete, perfect and absolute accord with every action of the management here, and that Mr. Duggan and the board were in complete accord with every action of the management here, and that Mr. Duggan and the board were in complete accord with every action of the management here.

Messrs. Patterson and Bonfield, Incorporated, Board members of the United Mine Workers of Indianapolis, are here and this week are visiting all the localities of the United Mine Workers and discussing the pending troubles and labor matters. Mr. Bonfield, the energetic U. M. W. officer, on his arrival here yesterday, stated in conversation with the reporter that they were not here to make trouble between the company and their men. They were here to see that the members of the U. M. W. got justice, and if they determined that the company should recognize their association and receive their committees. Mr. Bonfield said they would endeavor to hold a final meeting with Mr. Duggan to adjust and discuss the situation, and if he again refused to see them to strike.

Both of Sandy Murray's aunts, who were present, broke down, and even Mr. Murray's uncles were affected, as the load was lifted.

Sandy Murray himself smiled his thanks to the court as he was formally discharged.

James and Andrew Hatch both made elaborate bows and smiled at everybody in sight. James Hatch wept when his little son Andrew went to him and as he thanked his counsel he knelt on the floor and kissed his hands. After the crowd had left the court room the Hatches stopped on the outside steps and made a speech in Italian to the crowd gathered there, and with their exit from the steps ended the sensational second trial, and they got forth free and innocent men in the eyes of the law.

Mr. Murray's uncles will explain the crime on the fourth of May as sentenced. They both declare they have told the truth and cleared their consciences and if they have they have cleared the prisoners as well.

After Hatch left the court house this morning some one showed him a picture of the condemned men, and as soon as his eyes rested on it he spit on it and threw it away from him.

SENSATION'S PROMISED IN KINRADE CASE
Public Barred From Inquest Tonight—Kinrades Will be Arrested if They Do Not Appear.

HAMILTON, Ont., April 23.—Tonight's session of the Kinrade murder inquest promises to be sensational and dramatic. If Florence Kinrade and her mother who halted the investigation last night by failing to attend do not appear tonight a bench warrant will be issued for their arrest. If they are on hand both will be recalled by Blackstock the first thing.

Geo. Tate Blackstock, Crown Attorney, Washington, Detective Pender, the Pinkerton man from the South, and Jimmie Haug, the Portsmouth friend of Florence Kinrade, were closeted together in the Royal last night. They refused to be interviewed. Later Pender issued a statement in which he declared that Jimmy Haug was the exclusive property of the Crown and would be interviewed by no one until he told his story on the witness stand. Pender denied a story telegraphed from Richmond quoting him as saying that \$50,000 would be spent on the case by the Kinrade family. There is reason to believe that a crisis has been reached and that this is why the move has been made barring the public from the inquest. Evidence of a most sensational nature is hinted at. The inquest may be adjourned for two weeks to permit the officers to complete their investigations in the States.

CLUB RAIDED.
NEW YORK, April 23.—A score of men were clubbed and twelve persons were arrested in a raid made early today by the police on the Carlyle Athletic Club in Brooklyn. The police have been active recently suppressing boxing in these clubs which they assert are not conducted in accordance with the law. The managers of the club got an injunction from Justice Carr restraining the police from entering the club as long as athletic contests were held in accordance with the law.

FOUND HER HUSBAND LYING DEAD
Place Arsenal, a laborer, residing at 13 Brunsvick street, was found dead in bed by his wife yesterday afternoon. The man has been in ill health for some time past and was under the doctor's care. Mrs. Arsenal returned to the house in the afternoon and was startled to discover her husband lying dead in bed. The woman was grief-stricken over the shocking occurrence.
