BALDNESS.

BALDNESS.

A BEAUTIFUL HEAD OF HAIR, Is the graudest ornament belonging to the human frame. How strangely the loss of it changes the countenance, and prematurely brings on the appearance of old age, which causes many to recoil at being uncovered, and sometimes even shun society to avoid the jests and sneers of their acquaintance; the remainder of their lives is consequently spent in-retirement. In short, not even the loss of property fills the generous thinking youth with that heavy sinking gloom as does the loss of his hair. To aver all these impleasant circumstances, Ol-DRIBGE'S BALM OF COLUMBIA stops the hair from falling off on the first application, and a few bottles restores it again. It likewise produces syebrows and whiskers; prevents the hair from reurf. Numerous certificates of the first respectability in support of the virtues of Oldridge's Balm are shown by the proprietors.

remedy for either partial or complete deafness in all its stages.

By the timely use of this pungent Oil, many who have been completely deaf have been trestored to perfect hearing after using from three to ten lasles. This may appear strange, but it is nevertheless true. The Acoustic Oil is not presented to the public as a nostrum, but as the prescription of one who has normed his attention exclusively to the Eye and Ear, and who pledges his professional reputation upon the success of this remedy.

Dr. Scudder has numerous certificates, but hesitates to publish them, as be considers them unnecessary to so truly valuable an article as the Acoustic Oil. Its immense sale is the fairest proof of the estimation in which it is held. It is presented as a public blessing, enabling the aged parent to mingle in conversation with his children, and to reply to their numerous questions with a facility from which he had previously been debarred by a distressing partial or complete deafness.
