"THE OCEAN LIMITED" IN HIGH FAVOR.

Rev. G. Osborne Troop, the well known rector of St. Martin's Episcopal Church, Montreal, was a recent traveller on the "Ocean Limited" from Montreal and was so enthusiastic about his trip on Canada's new train that when passing through Moncton he made a special call on Mr. Lyons, General Passenger Agent, to record his impressions. The new sleepers, the splendid dining car service, the fast time, smooth run and the beautiful scenery of the Matapedia were especially mentioned as features worthy of praise. Such unqualified commendation will be very gratifying to those responsible for the inauguration and operation of the new service.

DEDICATION.

On Lord's day, 7th inst, the new house at Stewarton (Cromwell Hill), Kings Co., was opened for the worship of God. This interest it will be remembered received much attention from the late Rev. S. D. Irvine, who, while pastor of the first Springfield church labored with unselfish devotion to secure the erection of a meeting house in the place. For many years Baptists have had some footing here. As long ago as in the year 1855 a church was formed, known as the Fourth Springfield, Kars being at the time the Third Springfield. Rev. James Trimble resided in the place and for several years ministered to the little flock. The church book is still preserved and shows a regular record down to 1866, Joseph Paris being the clerk. The preaching services and conference meetings are faithfully reported and among the names of ministers are Bros. Trimble, Locke, Thorne, Harris Smith, Springer, Titus, Spragg, Steadman Bonney and others who visited the interest and preached occasionally for them. The church never had a public place of worship, but assembled in the homes and here kept up its discipline and worship for eleven years. It had some twenty-five members.

Since its dissolution occasional services have been held in the locality by the ministers of the the First Springfield church until during the pastorate of the writer in 1884, an agitation began for the erection of a house. But little however was done until the time of Bro. Irvine, when steps were taken to begin the construction of a building. The interest is now regarded as a branch of the First Springfield church, and so will be entitled to regular attention from the pastor of that church. This would have been the better way at the outset and would have secured more permanent results.

The dedication service was held at 3 p. m., Pastor Field being assisted by the writer, who preached from Ephesians V. 27. A large congregation gathered, and an offering of \$30 was taken, nearly extinguishing the remaining indebtedness.

ANAEMIA—POOR BLOOD.

Headaches, Dizziness, Palpitation and Consumption Follows.

Anaemia—watery blood—is a treacherous trouble. It steals insidiously from slight symptoms to dangerous disease. The thin watery blood shows itself at first in pale lips, wan face, breathlessness, heart palpitation, lost appetite. If the trouble is not checked and cured, consumption follows; coughing spitting, clammy night sweats, a total breakdown and death. What the anaemic sufferer needs is more blood—more strength. And there is nothing in the whole wide world will give new blood and new strength so surely and so speedily as Dr. Williams' Pink Pills. Every dose helps to send new, rich, red blood coursing through the system, bringing strength to weak lungs and all parts of the body. Thousands testify to the truth of these statements, among them Miss Emerine Vilandre, St. Germain, Que., who says—"While attending school my health began to give away. The trouble came on gradually and the doctor who attended me said it was due to overstudy and that a rest would put me right. But instead of getting better I grew weaker. I suffered from headaches and dizziness, and at night I did not sleep well. I was troubled with pains in the back, my appetite left me and I grew pale as a corpse. Finally I became so weak I was forced to remain in bed. As the doctor did not help me any, I asked my father to get me Dr. Williams' Pink Pills. Before I had used two boxes I was again in perfect health. I believe all weak girls will find new health. They will take the pills."

Anaemia, indigestion, heart trouble, rheumatism, kidney trouble and the special ailments of women are all due to poor blood, and are all cured by Dr. Williams' Pink Pills. You can get these pills from any medicine dealer, or by mail post paid at 50 cents a box or six boxes for \$2.50 by writing the Dr. Williams Medicine Co., Brookville, Ont.

ADVANCE IN FLOUR.

The advance in Ontario and Manitoba of 20c. a barrel last week has been followed by another advance in Chicago which will probably send Canadian prices still higher. At the present price of Manitoba as compared with Ontario flour, a consumer can save about thirty-five cents a barrel by purchasing the "Royal Household." This flour is made under a process known only to its manufacturers and gives about sixty to seventy five cents worth more bread than ordinary flour to the barrel.

HOMESTEAD DUTIES.

A settler who has been granted an entry for a homestead is required by the provisions of the Dominion Lands Act and the amendments thereto to perform the conditions connected therewith, under one of the following plans:

(1) At least six months' residence upon and cultivation of the land in each year during the term of three years.

(2) If the father (or mother, if the father is deceased) of any person who is capable to make a homestead entry under the provisions of this Act, resides upon a farm in the vicinity of the land entered for by such person as a homestead, the requirements of this Act as to residence prior to obtaining patent may be satisfied by such person residing with the father or mother.

(3) If a settler has obtained a patent for his homestead, or a certificate for the issue of such patent, countersigned in the manner provided by this Act, and has obtained entry for a second homestead, the requirements of this Act as to residence prior to obtaining patent may be satisfied by residence upon the first homestead, if the second homestead is in the vicinity of the first homestead.

(4) If the settler has his permanent residence upon farming land owned by him in the vicinity of his homestead, the requirements of this Act as to residence may be satisfied by residence upon the said land.

The term "vicinity" used above is meant to indicate the same township, or an adjoining or neighboring township.

A settler who avails himself of the provisions of clauses (2) (3) or (4) must cultivate thirty acres of his homestead, or substitute twenty head of stock, with buildings for their accommodation, and have besides 80 acres substantially fenced.

Every homesteader, who fails to comply with the requirements of the homestead law is liable to have his entry cancelled, and the land may be again thrown open for entry.
