came back to town he told the good cit'sens where their bodies might be fourd, so they went out and brought the dead horse this was in and buried them over in the foothils alongside of the other three that Chunk had killed, and the place w s known a. Chunk's grouper d as Chunk's graveyard.' 'Churk was a fond sort o' fellow at he

but sometimes when he had too much li-quor iv was dangerous to te too close to his gun, so that with those who went to death by such accidents and those who were sent to drath because they deserved it, Churk's To on the occure they discrete it, Churk's graveyard grew in about a year to twelve. Now, at this time there was a coeboy in Colf. x-Clay Ellison-'ar ous fru one county line to the other because of his good county into to the other because of ms good mx shooter. Clay was a terror to rustlers. There's not lling how many of them bad bit he dust at the urick ohis gun. He most likely didn't know himself. Clay came to Otero one day and the people made a regular hero of him, ard what does Chunk do but get jealous and commence to su'k and say ugly things about Clay, so that every one in town held his breath almost, fearing the meeting of these two. 'And they did m:et, too. Clay n.ver no'ched his six-shooter, but Chunk k pt count that way of every man he'd k iled. . You're a good shot,' says Chunk to

Clay; 'I've thirteen notehes on my gun; twelve of them are dead; the thirtcenth is for you.' 'You're a brave man,' says Clay. 'My gun has never been drawn sgin such as

"There's only room for one of us in Coltax, says Chunk. 'Leave the country

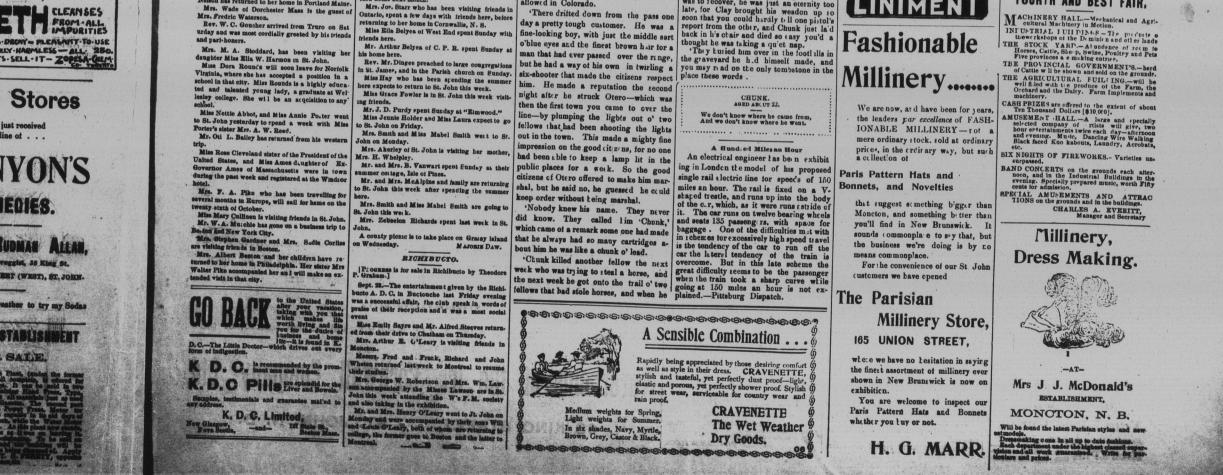

and 1'll cross your rotch.' Ef it has come to that,' says Clay, the notch can stand, or I will cross it out my

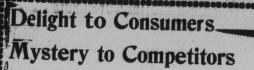

Chunk's idea was that both should go together to a room at the tavern, order a supper placed upon the table, lock the supper placed upon the table, lock the door, and just them two sit down to eat, without another person in the room. They would sit down together, but only one was to rise. Clay agreed to all that Chunk said, and the Clifton House was chosen, a taven where many a one's blood had been spilled there since—a lonesome sort o place a mile o' town on the Santa Fe trail. You can see the d serted old house to this

day, a lurking place for glosts, they say. Well, they called for the best supper that the tavern could turn out, and every-
