POLICE COURT.
Andrew Arsenault, charged with us-
ing abusive language to Mrs. Deborah
Phalen, was remanded to jail after
evidence had been given by Mrs. Pha-
len and Officer Winther.
One inebriate was also remanded
for further consideration.
Frank Mathieson, who was arrested
some time ago for loitering in Harry
Wood's barn, was allowed to go yes-
terday morning, as it appeared that he
was not there with the intention of
doing any wrong.

Ministers Meet.
The Baptist minister held their
usual fortnightly meeting yesterday
morning with the Rev. P. R. Hayward
in the chair. Rev. A. J. Archibald
having resigned to the presidency on ac-
count of his removal to New Glasgow
in the near future. After the routine
business had been transacted a very
interesting paper on "Our Bird
Neighbors" was read by the Rev. Dr.
D. Hutchinson. Rev. O. N. Chipman
was a visitor at the meeting and
others present were: Revs. W. Camp-
bell, F. H. Wentworth and D. J. McPherson.
Special mention was also made
of the serious illness of the Rev. Dr.
W. E. McIntyre.

Well Merited.
Thomas J. Smith, Lancaster, for
himself and for his fellow sufferers by
the recent fire in Lancaster desires
to express appreciation of the splen-
did work done by the firemen. The
people are, he said, particularly grate-
ful to Chief Blake, to Deputy Chief Mc-
Andrews, and to the men under them
whose energetic efforts prevented a
much more serious conflagration. The
Lancaster people also desire to pub-
licly express their appreciation of the
splendid work of the soldiers who as-
sisted in fighting the flames and in
saving property.

ARRANGING FOR SALE OF GOODS ALL NEXT WEEK

Two rinks now being fit-
ted up for the Patriotic
Auction.

From early morning yesterday un-
til quite late last night H. A. Porter,
manager of the \$50,000 patriotic auc-
tion and his staff of volunteer assis-
tants were busy in St. Andrew's rink
acknowledging and receiving the do-
nations already beginning to arrive
for re-sale next week. From present
indications there is every reason to
expect that next week will be a record
breaker in patriotic endeavor in St.
John. The buying public will have
such an opportunity as never before at
an auction for there will be goods in
greater variety than has been known
in this city at such an event. They
will be given to purchasers at the
prices bid. Announcement of the ar-
rangement of sale will be made later,
with the plans for the conduct of Auc-
tion Week, October 4 to 9.

The major portion of yesterday's re-
ceipts came from about the city, and
it was a dull moment that did not
mark the arrival of a teamload of
goods, or a citizen laden with a worthy
contribution. To assure all these
goods will be no easy task. For this
purpose it is planned to departmental-
ize the rinks so that the goods may
be divided into their proper classi-
fications and arranged to the best in-
terests of seller and buyer. A com-
mittee of which F. W. Roach is con-
venor met last night and made pre-
liminary arrangements to this end, di-
viding the various goods to the care of
those having an intimate knowledge
of the varied merchandise. The fol-
lowing have generously offered to help
in the goods named: L. C. Prime,
livestock; J. E. Secord, books and
stationery; J. Sutherland, dry
goods and house furnishings; W. S.
Allison, country produce; S. C. Young,
men's and women's clothing; A. E.
Everett, furniture; W. H. Hayward,
china and art ware; Fred Watson,
hardware and fixtures; E. C. Brown,
drugs and druggists' sundries; C. S.
Phelps, groceries and provisions;
Thomas Nagle, lumber; E. P. Dyke-
man, carriages; Harry Smyth, boots
and shoes; and S. F. Jamieson, real
estate. Besides these there will be
representatives present each day and
evening from the Elks, Knights of Co-
lumbus and Rotary Club, to aid in the
handling of the gifts and in the ar-
rangements for the opening of the big
endeavor on Monday next.

The canvassers engaged about the
city in visiting the several districts in
the campaign being carried on by the
Daughters of the Empire, report
encouraging returns and good sized
donations still continuing to be received.
A complete list of the contributions
would not be possible in publication
because of its great length, and the
same is true of the canvass of the
country parts.

The donations received yes-
terday were goods from D. & Pat-
erson, Ltd., valued at \$141.80; \$10 in
cash from W. A. Machum, Polihurst;
goods from F. M. Campbell, Newton,
valued at \$11; goods promised from
W. S. Mason, Head Millstream, val-
ued at \$25; cash from R. C. Elkin,
\$50; a prize pedigree bull from Jes-
sie Prescott, Roschville; vegetables
from John King, Smith's Creek,
\$16.50; pressed hay and four ped-
igreed Yorkshire pigs from S. J. Good-
fellow, parish of Sussex, valued in to-
tal at \$34; buckwheat and oats from
Sylvester Anderson, Mount Pisgah,
\$10.50; a set of surgical instruments
valued at \$80, found on the field of
Waterloo, from Dr. McDonald of Wel-
ford; a pig and vegetables from Mi-
chael Sullivan, parish of Sussex, val-
ued at \$14; a sheep and a lamb from
Robert Macaulay, parish of Sussex,
valued at \$10; and a large number of
others acknowledgment of which here,
with would be impossible owing to
lack of space.

To those who have been reading each
day the partial lists of contributions
it will be at once apparent that during
the day the list of goods will be
Saturday, it will be possible to buy al-
most any article desired. It will be
possible to procure provisions, dry
goods, coal, hardware, lumber, china,
stoves, carriages, country produce,
fancy work, antique ware, pictures, in-
fact the list could well be extended to
much greater length, but space will
not permit. The money derived from
the sale of these goods will be devo-
ted to the patriotic fund; if you have
not yet donated, why not do so to-
day?

Mr. Charlton volunteered to spend
the night on board, so the other two
young men came up and advised Mrs.
Charlton that her husband was safe.
Relatives of the young men were
greatly perturbed yesterday when no
word was received from them. Man-
chester, Robertson, Allison, Ltd.,
had motor boats scouring the bay all
day searching for them. It was a
source of great relief to relatives and
friends of the young men when it was
learned they were safe.

MORE MEETINGS IN RECRUITING CAMPAIGN HERE

Wednesday night in Sea-
men's Institute, Prince
William street.

A meeting of the recruiting com-
mittee was held yesterday afternoon
in the Board of Trade rooms when
various matters in connection with
forwarding the objects of the cam-
paign were considered.
It was decided to hold a meeting on
Wednesday night in the Seamen's
Institute, Prince William street.
Patriotic addresses will be delivered
by Rev. Father Carney, of St. Dun-
stan's church, Fredericton, and Rev.
(Capt.) Harrison, chaplain of the
64th Battalion. On Thursday evening
a meeting will be held in the same
place at which John T. Hawke, editor
of the Moncton Transcript will be the
chief speaker.

Through the courtesy of F. E. Wil-
liams the Victoria Skating Rink has
been placed at the disposal of the
committee for recruiting purposes, and
a meeting will be held in that place
Wednesday night. Particulars as to
the speakers will be announced later.

OTTIE E. WHITE ON FIRING LINE

Offensive movement by
Allies soon—Expect to
drive to German terri-
tory.

K. C. White of Exmouth street, has
received a letter from his brother,
Staff Sergeant O. E. White, who is
with the Ammunition Column, some-
where in France. Sergeant White
told of a seven days' furious spent in
London which he enjoyed very much.
He said it was hard to get down to
the routine after going back to the
firing line. He said that from all in-
dications the Allies were getting ready
for some kind of an offensive move-
ment on a large scale. The general
idea over there was that when it com-
menced it would carry the allied for-
ces far over the border into German ter-
ritory. He said the men were in good
health and when they got their chance
they would give a good account of
themselves.

SPENT NIGHT ON MAHOGANY IS.

Three young men from
city storm-staid while
out in motor boat.

Three young men—William J. Charl-
ton, Herbert Berrie and a man nam-
ed Spence went down the bay Sun-
day morning in a motor boat. On ac-
count of the heavy storm they were
forced to go ashore on Mahogany Is-
land and from which they were rescued
by a fishing smack some time yesterday.
The young men were taken aboard the
fishing vessel and with their motor
boat in tow were brought up to
Partridge Island last night.

Berrie and Spence came to the city
in the motor boat and Mr. Charlton
was left on the smack.
It is understood from Mrs. Charlton
last night that the fishing boat was
in charge of an old man and two small
boys, and the rescued men were un-
willing to leave them alone on the
boat, on account of the heavy seas,
and the condition of the vessel which
was, according to report, in a leaking
condition.

Mr. Charlton volunteered to spend
the night on board, so the other two
young men came up and advised Mrs.
Charlton that her husband was safe.
Relatives of the young men were
greatly perturbed yesterday when no
word was received from them. Man-
chester, Robertson, Allison, Ltd.,
had motor boats scouring the bay all
day searching for them. It was a
source of great relief to relatives and
friends of the young men when it was
learned they were safe.

A BAND WANTED FOR REGIMENT AT CAMP SUSSEX

Captain Harrison, chaplain
of 64th, in city yesterday
—A fine body of men se-
cured.

Captain Harrison, the chaplain of
the 64th Battalion, arrived in the city
yesterday from Camp Sussex and says
that at present there are about 1,800
men in training there. They are as
fine a body of soldiers as any person
would wish to see. They are all in the
very best of health and their morale
are excellent. The heavy storm of
Sunday night caused considerable
damage to the camping grounds. A
number of the cook houses were blown
over and tents were blown down. The
soldier boys took things in good humor
despite the inconvenience they were
put to.

The 64th Battalion is at present the
only battalion without a band. It is a
New Brunswick Battalion and a band
would undoubtedly be most gratefully
received by the officers and men.
Friends of and battalion have started
a movement for the purpose of raising
sufficient funds to purchase instru-
ments for a 64th band and subscrip-
tions for the same will be received at
The Standard office. Subscription
lists will also be opened in other parts
of the city and throughout the prov-
ince. It is expected that it will not
take long to raise the required amount.

SIMEON JONES DIED IN LONDON

News of his passing reach-
ed St. John yesterday—
Was Formerly Mayor.

News reached the city yesterday
afternoon of the death of Simeon
Jones who, for a great many years
resided at St. John and built up the
well known brewery business which
is run under his name. Many of his
old friends will regret to hear of his
death in London, England, where he
had lived for the last eight years
with his daughter, Mrs. D. Landale
Wilson.

Mr. Jones, who was in his 67th
year, was born at Prince William,
York county, August 22, 1829. He was
a son of the late Thomas Jones. His
mother was formerly Miss Caverhill.
In 1848 he came to St. John and en-
tered the employ of H. Kellie, brewer,
which business he later took over in
his own name.

In 1874 in company with Oliver T.
and Joseph R. Store he started a
private banking business. Mr. Jones
was elected a member of the city
council in 1879 and after serving two
years as chairman of the finance com-
mittee, was in 1881 chosen mayor by
acclamation, the first to receive such
an honor.

In 1892 he retired from business
here and removed to New York where
he was very actively engaged in busi-
ness for twelve years. He then left
for London at which place he was still
residing at the time of his death.

Mr. Jones was an active member of
Trinity church and a generous sup-
porter of benevolent efforts. His
wife, a daughter of Daniel McLaugh-
lin, Esq., died before he left St. John.
Mr. Jones is survived by two daugh-
ters, Mrs. J. Frank Uschler of Edin-
burgh, Scotland, and Mrs. D. Landale
Wilson of London, England. The sons
are R. Kellie, Frederick C. and Sim-
on A. of St. John, George West, of
Calgary, and Andrew U. of Montreal.
Another son was Captain Ernest
Jones, who gave up his life for his
country in the battle of Mons. It is
possible that the body may be brought
to St. John to be laid to rest with that
of his wife.

SOME FEATURES IN CONNECTION WITH THE STORM

Motor boats forced to stay
out all night—Other mis-
haps along water ways.

The gale which developed Sunday
morning continued in full force yes-
terday, but no great damage was re-
ported during the day. Last night,
however, the wind subsided.
Many of the motor boats which were
on the river Sunday, returned home
yesterday.

The New Brunswick Telephone
Company reports lines between New-
castle and Bathurst were out of use
yesterday afternoon. Also that some
of the lines between St. John and
Fredericton were still down. Many
of the local lines were bothered by the
storm but most of these were repair-
ed. The continued storm of yester-
day hindered the work to a certain de-
gree. The Telephone Company officials
think they were lucky to escape
with so little damage.

Some of the Western Union wires
were reported to be still down, but
connections to all points were satis-
factory. All lines of the C. P. R. are
reported in use.

At Brandy Point the Aligo, owned
by E. Clifton Brown, was driven
ashore. The extent of the damage has
not yet been ascertained. At Purdy's
Point the Tanova, owned by Arthur
McLaughlin, was driven ashore and
is in a bad position. The exact extent
of the damage is not known. A small
motor owned by George Purdy also
broke loose at this point and is in
pretty bad shape.

Yesterday morning the Daisy E.,
owned by Fred Barton, was swamped
while riding at anchor at Renforth.
About 8:30 o'clock the boat, which is
a cabin craft about thirty feet in
length, was lifted on the crest of a
huge wave and turned turtle. The
reason that the boat capsized is sup-
posed to be the shortness of the play
on the anchor line. At the present
time the boat is about seventy-five feet
from the shore and is being pounded
on the bottom, large pieces of the
cabin having already been washed
ashore.

MEETING HELD AT INDIANTOWN

Stetson, Cutler & Co.'s em-
ployees told of the need of
more Canadians at the
front.

A recruiting meeting was held yes-
terday at noon in Stetson, Cutler &
Co.'s mill at Indiantown, L. P. D. Til-
ley, M. L. A., drove the recruiting offi-
cer and the speaker to the mill in his
car and there introduced the speaker,
Private David W. Shaw, with a few
well chosen words, stating briefly the
cause for which the men were now
fighting, and the need of more men
at once.

Private Shaw, of the 64th Battalion,
is a South African veteran, and told
of his experiences in the South Afri-
can war. He was rejected here on ac-
count of being too young and too
small. But that did not stop him. He
told of his recruiting officer that he
would meet him at the front inside
of three months, and he did, for he
stowed away on a transport ship, and
got to the war zone, and then got into
the army there. He dealt briefly on the
great need for more men, and in clos-
ing said: "I thought it my duty to so

stowed away on a transport ship, and
