SAGE TEA KEEPS YOUR HAIR DARK

When Mixed with Sulphur It Brings Back Its Lustre and Abundance.

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks dry, wispy and scraggly, just a few applications of Sage Tea and Sulphur enhance its appearance a hundred fold.

Don't say gray! Look young! Either prepare the tonic at home or get from any drug store a 50-cent bottle of "Weyl's Sage and Sulphur Compound." Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully and removes dandruff, stops scalp itching and falling hair; besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one single strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.

ONE SPOONFUL GIVES ASTONISHING RESULTS

St. John residents are astonished at the QUICK results from the simple mixture of buckhorn bark, glycerine, etc., known as Adler's. This remedy acts on BOTH upper and lower bowel and it is so THOROUGH a bowel cleanser that it is used successfully in appendicitis.

ONE SPOONFUL of Adler's relieves almost ANY CASE of constipation, sour or gassy stomach, ONE MINUTE after you take it the gasses rumble and pass out. J. B. Mahony, druggist, Corner Dock and Union.

The Easiest Way To End Dandruff

There is one sure way that never fails to remove dandruff completely and that is to dissolve it. This destroys it entirely. To do this, just get about five ounces of plain, ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single grain and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better. You can get liquid arvon at any drug store. It is inexpensive, and four ounces is all you will need. This simple remedy has never been known to fail.
