BELGIAN CLAIMS BEFORE COUNCIL

Want Territory Returned and Many Other Requests for Concessions Made.

Paris, Feb. 12.—(Havas Agency)—The Belgian claims, as placed before the Supreme Council yesterday, include demands for the return to Belgium of non-territorially held by Germany, in addition to requests for free navigation of the Scheldt and the restoration of certain territory held by the Dutch. The German districts demanded are Mondjole and Malmédy, east of the present Belgian-German border. The population of these districts is mainly Walloon and their possession by Belgium, it was pointed out, would deprive Germany of an outlet for a new invasion of Belgium.

ANDOVER

Andover, Feb. 11.—Mrs. John Niles entertained very pleasantly last Monday evening, several ladies and gentlemen in honor of Mr. Niles' birthday.

On Tuesday afternoon from three till six o'clock, the Misses Margaret and Janet Currier were hostesses at a pleasant thimble party. At the tea hour Misses Gertrude Tibbitts and Pearl Waite assisted in serving delicious refreshments. Among the guests were Mrs. J. A. Gray, Mrs. Guy Porter, Mrs. Ralph Estabrook, Mrs. John Niles, Mrs. Lee Hedder, Mrs. Herbert Baird, Mrs. A. F. McIntosh, Mrs. Thomas Redell, Mrs. J. R. Belyea, Mrs. R. W. L. Earle, Mrs. Herman Stewart, Mrs. George McLaughlin, Mrs. Lewis Hutchins, Misses Alma Armstrong, Gertrude Tibbitts, Annie Stewart and Pearl Waite.

Mrs. Osborne, who has been visiting Mrs. Frank Turner has returned to her home in St. John.

Mr. Ralph Hayden Woodstock, was a guest at Mr. William Curry's the early part of last week.

MEMORIAL SERVICE

East Florenceville, Feb. 11.—A memorial service for Mrs. Harry W. Stiles was held in the Baptist church Sunday evening, February 9th, at 7.30. The Baptist and Methodist choirs united and rendered beautiful music. The Rev. Mr. Bishop of Whitman occupied the pulpit and spoke feelingly of her worth as wife and mother.

Mrs. Stiles, who was one of the many victims of influenza, passed away on Sunday morning, November 3rd, 1918, but owing to the illness of near relatives the service had been postponed.

GERMANY NEEDS MORE THAN FOOD

Disorganization and Lack of Control is so Extreme That Food Importation Might Lead to New Disturbances.

Paris, Feb. 12.—The rehabilitation of Germany cannot be effected alone by supplying her with an adequate amount of food, in the opinion of an American train observer, who has just completed a tour of Prussia for the Supreme Council of Food and Relief of the Peace Conference. A letter from her received by the Council today, says:

"It may be that a food supply is the first and indispensable need, but I am not sure of that. The disorganization and lack of control is so extreme that I can, without difficulty, see food importations leading directly to new disturbances, physically and spiritually by the poor food which is given in small quantities, but there is more at the bottom of the almost hopeless situation.

"The people will not work. They are paid a too high pension for idleness. They have no real leaders to organize and carry them. They are going down further and further and with it all, with few exceptions, they do not blame themselves; they reproach the Entente. They are blindly insistent."

He Built His House With His Own Hands

And the Help He Got From Dodd's Kidney Pills.

Mr. Neil C. MacCallum, of Brackley Point, P. E. I., Tells a Story of Interest to All Sufferers From Kidney Ills.

Brackley Point, Queen's County, P. E. I., Feb. 12.—(Special)—Mr. Neil C. MacCallum, an old resident of this popular little summer resort, never tires of showing visitors over his beautiful home, which is the work of his own hands. And he always finishes with the declaration:

"I never could have done this but for the benefit I received from Dodd's Kidney Pills."

"I was brought up on a farm," Mr. MacCallum continues, "but about ten years ago I took a very sore back. I tried plasters and pills without getting any real benefit."

"Then I thought I would try Dodd's Kidney Pills. Two boxes of them made me all right again. A year later I felt it coming on again, but another box of Dodd's Kidney Pills drove it away. Now I just take one or two boxes as a spring medicine, and you can see how healthy I am. I built this house from basement to chimney myself."

Dodd's Kidney Pills are purely a kidney remedy.

HATFIELD'S POINT

Hatfield's Point, Feb. 10.—Mr. and Mrs. Hiram Cameron drove to Hamstead, Wednesday, to attend the funeral of his father, who died very suddenly on Tuesday.

Mr. George Bond and family, who have had a serious attack of influenza are improving.

Mr. George Morrell, who has been in the army for some time went to St. John this week to get his discharge.

Mr. J. R. Dykeman of Jemseg, and daughter, Mrs. Lorne C. Urquhart, drove over last week and are visiting Mr. Sanford Urquhart.

Miss Marvill Brown is visiting her sister, Mrs. Myles McDonald, at McDonald's Point.

Mr. Worrell, the Inspector of Schools, passed through this vicinity this week.

Mr. Frank Reicker was to Norton this week.

Miss Nellie Urquhart has returned home after spending several weeks with her sister in St. John.

Mr. Alfred and Burpee Brown are at McDonald's Point.

Rev. Mr. Goseline is to hold service in the Star Church Sunday afternoon and Hatfield's Point on that evening.

Mothers!

Watch the tongue of your young!

Clean the clogged-up places!

Bring joy to little faces!

Kiddies will eat and smile.

When you do away with bile.

Careful mothers o'er the land

Always keep Cascares at hand.

Children think them dandy—

They are mild cathartic candy.

Cascares sell for a dime!

They "work" every time.

When a child has a coated tongue, tainted breath or is bilious, constipated, feverish, or full of cold, give Cascares. Children gladly take this harmless candy cathartic which thoroughly cleanses their little stomachs, livers and bowels without griping.

Each 10 cent box of Cascares contains directions for dose for children, aged one year and upwards.

Simple Way To End Dandruff

There is one sure way that has never failed to remove dandruff at once, and that is to dissolve it, then you destroy it entirely. To do this, just get about four ounces of a thin, common liquid arvon from any drug store (this is all you will need), apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all, of your dandruff will be gone. Repeat the treatment four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have.

You will find all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft and look and feel a hundred times better.

TO IMPROVE THE C. G. R. SYSTEM

Improvements and New Extensions Calling for an Expenditure of \$50,000,000 Are Planned.

Winnipeg, Man., Feb. 12.—The Dominion government has consented, subject to parliament's approval, to an expenditure of about sixty million dollars for improvements and new construction to be done during the coming year on the Canadian National Railways. It was learned here today.

Of the amount to be expended \$20,000,000 will be required for rolling stock, already ordered, and expenditures under this head may be increased to \$30,000,000. Betterments, extension of lines and improvements will probably require about \$20,000,000. It is also understood that some partially constructed lines in the west are to be completed, and in addition there may be some new lines built both in the east and west.

ITALIAN TROOPS MOVE SECURITIES

Placed in a Vienna Bank for Safe Keeping and Belong to Trieste.

Vienna, Monday, Feb. 10.—(By The Associated Press)—Italian troops and bankers today began moving from a bank here notes, bonds and securities valued at \$500,000,000 kronen which had originally belonged to the city of Trieste. The money was removed here to safe keeping during the war. Military trucks were backed up in front of the bank, the entrance to which was guarded by squads of Italian soldiers. Crowds of curious on-lookers watched the treasure being removed.

AMERICA HOME OF FOREIGNERS

One-tenth of United States Population is Composed of Unnaturalized Aliens.

Washington, Feb. 12.—Approximately one-tenth of the population of the United States is composed of unnaturalized aliens, according to Raymond Crist, Deputy Commissioner of Naturalization, who declared today that such a condition would not be permanent if it were not for the fact that in making citizens of alien residents, he said there were 10,000,000 persons in this country who still retain their allegiance to the land of their birth.

AVIATION CONFERENCE

Paris, Feb. 12.—An international aviation conference will be held in Paris within a few weeks to outline recommendations to the Society of Nations in order to make possible the resumption of civilian aerial service between the nations.

CUT THIS OUT

OLD ENGLISH RECIPE FOR CATARRH, CATARRHAL DEAFNESS AND HEAD NOISES

If you know of someone who is troubled with Catarrhal Deafness, cut out this formula and hand it to them and you may have been the means of saving some poor sufferer perhaps from total deafness. In England scientists for a long time past have recognized that catarrh is a constitutional disease and necessarily requires constitutional treatment.

Sprays, inhalers and nose douches are liable to irritate the delicate air passages and force the infection into the middle ear which frequently means total deafness, or else the disease may be driven down the air passages towards the lungs and be equally as dangerous. The following formula which is used extensively in the damp English climate is a constitutional treatment and necessarily requires constitutional treatment.
