

THE WEATHER

Forecast, May 6—Shallow depression centered over the Middle Atlantic States and in the Upper Mississippi Valley, and pressure is highest in Nova Scotia. Showers have occurred locally in Nova Scotia and New Brunswick, and at a few points in Ontario, Quebec and New Brunswick.

Maritime—Moderate to fresh westerly winds; showers in western portion; mostly fair elsewhere.

Northern New England—Showers and slightly warmer Saturday; Sunday mostly cloudy and warmer; possible showers, fresh to strong easterly winds.

AROUND THE CITY

BEER LICENSES.—Only thirty-eight beer licenses have been applied for in this year, twenty-eight in the city and ten in the county. Last year there were granted forty-eight in the city and twenty-three in the county.

OPEN FOR TRAFFIC.—To remove any doubt as to the trunk roads being open and the branch roads as well, the Provincial Engineer telephoned the Provincial Government office as soon as he returned to Fredericton from Ottawa yesterday asking that the newspapers give publicity again to his statement, that the branch as well as the trunk roads are open for automobile traffic.

GARB HELD UP.—The street cars were held up for a time in Prince William street yesterday afternoon by a mishap which befell a team hauling a load of furniture. The driver of the team attempted to cut across the track and in so doing managed to tear off the rear wheel of his cab and a brother teamster to his aid and the team Samarian taking up and took off the load, thus clearing the track.

CHILD DEAD.—Yesterday morning, at his parents' home, 571 Main street, Douglas Burton, son of Percy H. and Marion I. Burton, passed away. He was but two years old and had been ill for two weeks. He leaves, besides his parents, one sister. The funeral will take place from the home on Sunday afternoon at half-past two. The bereaved parents have the sympathy of many friends.

FERRY SHOWS DEFICIT.—The ferry report for April last shows a total average decrease of \$655.85, as compared with 1931. The deficit of \$1,000,000 in earnings made up of a drop of \$500,000 in receipts from passengers and \$500,000 in costs. There were 139,723 passengers transported in April last, compared with 139,000 in April, 1931, while losses for the respective periods totaled \$1,177 and \$1,072.

PROBATE COURT.—In the matter of the estate of Bernard L. Amodeo, deceased, the will of Mrs. Amodeo was admitted to probate by the court. The executor named in the will is W. B. Wallace, N. B. Co. was granted.

STREET WORK.—The city's street cleaner will start operations on the 11th and the old street cleaner will be discontinued. The street cleaner will be in operation on the 11th and the old street cleaner will be discontinued.

Orders.—Orders for the purchase of goods and services from the Government.

THIRD PARIS MURDER TRIAL WILL BE CONCLUDED TODAY; JUDGE'S CHARGE THIS MORNING

Powerful Addresses by Counsel for Prisoner and for Crown Delivered Yesterday—Paris Coolly Follows Both With Apparent Interest—Added Interest Shown by the Citizens as the Trial Draws to An End.

Today will mark the last day of the trial of John Paris, charged with the murder of Sadie McAuliffe in Silverton Park in August last. Judge Barry will begin his charge to the jury at 8:30 o'clock this morning, and the case will probably go to the jury by noon, and their verdict is delivered before a recess this evening.

Mr. Vernon, R. C. began his address to the jury on the opening of the court yesterday morning, concluding shortly after 12 o'clock. At 1:30 o'clock the court resumed its session. At 2:30 o'clock the court resumed its session. At 3:30 o'clock the court resumed its session.

Mr. Vernon in his opening address thanked the jury for the attention they had given to the case. He stated that the jury had heard the most important part of the trial, and that they were going to free the accused or take his life, as sacred to him as was theirs to them.

Mr. Vernon reviewed in detail the evidence given during the trial. He stated that the evidence was clear and that the jury should find the accused guilty. He stated that the evidence was clear and that the jury should find the accused guilty.

Two Men Nearly Lose Their Lives

Overcome by Smoke While Fighting Fire in Warehouse of H. G. Harrison.

Two men nearly lost their lives at a fire yesterday at noon, which did considerable damage to a warehouse and stock of H. G. Harrison, Main street, when they were overcome by smoke and rendered unconscious. One of them had to be hurried to the hospital, but the other came around quickly when brought out into the open air.

The men had carried a hose into the upper story of the building and were going good work there, when the water failed them and they found it impossible to get out of the building, as they could not see. A rescue party went in after the missing men and were successful in reaching them in time to save their lives. Edward Harrison, was in a serious state and was immediately rushed to the hospital, where he responded to treatment and last evening was reported to be coming around all right.

The building contained a large quantity of hay and food, most of which will be a total loss. The insurance on the building was \$100,000, and the stock \$1,000,000, and the British Crown, C. B. Jarvis & Sons, agents, each having \$1,000.

Rossley's Juveniles Make Decided Hit

The Imperial Pikaninnies Opened Yesterday With Programme of Clever Comedy Dancing and Singing.

Rossley's Juveniles Imperial Pikaninnies and well known Canada's cleverest collection of colored artists for they opened an engagement at the Imperial yesterday to audiences who were loud in their praise for a wonderful programme of clever comedy dancing and singing and every one conducted himself in a manner that would do credit to any professional performer.

Federal Government Interested in Radio

Offers Inducements to Enthusiasts—Several Broadcasting Stations Coming in New Brunswick.

Radio seems to be on the boom in Canada at present, and the Federal Government is taking a keen interest in its development and is promoting it by every means in its power. To this end it has arranged for licenses to be issued to every amateur who wishes to establish a receiving station, and these will be on sale at every post office in the next few weeks.

For those who desire to establish amateur sending stations a little more is required, and they must make application to Ottawa for a license. The application is now in Ottawa from the National Council of Canada for a broadcasting station to be erected in St. John for the Commercial Club. The station is now in Ottawa from the National Council of Canada for a broadcasting station to be erected in St. John for the Commercial Club.

The Commercial Club have arranged with the Marconi Company for the erection of the station, which will be of very great value, and will likely be completed within the next few months. The Commercial Club station, which will be a small one and not effective for more than 500 miles, will be in a position to be ready in two weeks.

WILL VISIT DAUGHTER.—Commissioner N. W. Wigness left last evening for Toronto to visit his daughter who is in a hospital there recovering from a breakdown of her health while in Canada. The Commissioner will return on Tuesday.
