at Meeting Yesterday - The Urgency of Citizens Helping to Accommodate Visitors - Horse Exhibit Programme.

The executive of the Exhibition Associ ation at a meeting Thursday submitted the following report to the directors: St. John, N. B., 21st Aug., 1902. To the Board of Directors:

Gentlemen,-Your executive committe fee to report that they have been pressing forward preparations for the coming exhibition which His Hon. Lieut. Governor Snowball will open at 8 p. m., on Saturday, 30th inst. We hope to have with us on that occasion also the minister of the Canal Cana lic works, and the president of the Can-adian Pacific Railway. We are glad to re-port that our arrangements are pretty well advanced and that there seems to be

a general interest in the exhibition throughout the country.

We have spent more time and money on distributing advertising matter and can-vassing for the exhibition, than in previous years, and we hear very encouraging reports as to the work done. We are re-The military staff ride will take place next month and will be something new in this vicinity though not unusual in England. The entries for the horse racing at Moosepath park are very encouraging with an average of 12 horses for every event. The industrial buildings are well filled, and the character of the exhibits gives evidence of care and attention.

While our machinery hall will not be intriely filled with moving machinery, we will have a good display of interesting achines. We have appointed Mr. Joseph tompson superintendent of the machinery department.

Leabor day will be celebrated by a grand labor parade, and we have arranged that this shall terminate on the exhibition grounds, and sports will be put on in front of the grand stand. We hope to see this rangements have been made with Mr. L. Peters to superintend the agricult department.
