B., gav subject of the Human Telephone or ou Heads and what hey contain. The object of the lecture was to show the analogy between the structure of the human nerv-

ous system and that of an ordinary tele-phone system. In each case lines of comnunication run out from a central offic by which messages are transmitted or re-ceived. In each case many different instruments are employed, each connectin a central station with some more or les distant point, but are ordinarily independ ent of each other. In the case of the or dinary telephone, central, when called makes temporary connection between the lines of different subscribers, all others being for the time shut off, so the different pendent of each other, temporary connection between one nerve centre and another ly organized brain is simply one contain There will soon be a new name in the river steamboat fleet. The boat which the Star line has been building will be called correctly measures the degree of intellicorrectly measures the degree of intelligence. Education is the bringing of un

developed centres into action, giving con-trol over a wider system. It was shown that each part of the brain presides over its own peculiar junctions and that injury to any special group of nerve centres produces such characteristic effects over the parts of the body over fail to appear or show themselves in a disordered way it is possible to conclud what part of the brain is the seat of the trouble. This may then be examined and the trouble removed. The power of speech was in particular referred to as having its seat in the left cerebral hemisphere and the general subject of left handedness, a compared with right handedness was dis-cussed and shown to have its origin in

the unequal development or use of the two This was Dr. Bailey's first appearance before an audience on the island and he was greeted with a good house.

#### Wedded Saturday Afternoon.

A very pretty wedding took place in Holy Trinity church, Rev. J. J. Walsh united in marriage to Miss Mary E. Hanlon, daughter of Mrs. George Magee, City road. The church was well filled with relatives and friends of the happy couple. lon, sister of the bride, and the groom was supported by Thos. Nagle, of this city. The bride, who was given away by her step-father, George Magee, looked exceedingly charming in a gown of grey crepe de over blue taffeta silk. She wore a large white picture hat and carried a large boudress was stone grey silk voile over pale

bride, Mr. and Mrs. Nagle left on the steamer Calvin Austin for Boston, where they will reside. Mrs. Nagle wore a traveling costume of fawn broadcloth.

The bride was the recipient of many resent from the groom was a handsome och set with pearls and diamonds, and the groom's present to the bridesmaid was a brooch set with pearls. The groomsman received a pearl stickpin. A large number of friends were at the boat to wish the happy couple bon voyage.

#### Goes Into Grocery Business.

H. L. Spencer, for a great many years connected with the St. John Gazette and latterly with H. De Forest, has opened a grocery business in the residence of John B. Edwards, Whitehead, Kings county. Mr. Spencer has a full line of first class

#### STOCKTON AND MCQUIRK,

A Lover of Right" Asserts That the Lawyer's Position Has Not Been Properly Presented.

In reference to the telegraphed report that John J. McQuirk, of Gloucester (Mass.), has sued F. W. Stockton, of Sussex, for alienation of his wife's affections a resident of Sussex, who signs himself
