

church everywhere. Besides giving to the General Fund, many of our people are aiding the students of Wesley College in supporting their missionary, the Rev. James Endicott, B. A., in China. The missions of the Methodist Church are Indian, French, Japanese, Chinese and Home.

THE EDUCATIONAL FUND assists in maintaining the universities of the church, and in educating young men for the ministry. In addition there is the amount for Wesley College, which is a fund for this conference only, and which is distributed equitably over the conference. The amount apportioned to Grace Church for last year was \$1100.

THE SUPERANNUATION FUND, for the help and support of aged and worn out ministers of the church, derives part of its revenue from assessments upon the local churches.

THE UNION CHURCH RELIEF FUND, as its name signifies, aims to relieve trustee boards which were embarrassed as a result of the late union.

THE CONTINGENT FUND meets extraordinary expenses of ministers or circuits by reason of affliction or unforeseen causes.

THE GENERAL CONFERENCE FUND meets the expenses of the General Conference—the law-making body of our church—and its committees.

The following were the amounts raised by Grace Church for Connexional Funds last year. We are able to give an extended list of the subscribers to the missionary fund only, but hope in the future where subscriptions are taken, to give a complete list :
