

VI. That an Annual Meeting be held at such time and place as the Executive Committee shall from time to time appoint, at which the Chairman, Treasurer, Secretaries, and Committee shall be elected for the ensuing year.

VII. That every Baptist Church or Association, and every proved Baptist Minister in the Province, making application for admission into this Union, shall be received forthwith, unless informed to the contrary by the Committee.

VIII. That on account of the importance of correct statistical information, every Association connected with the Union is expected to forward annually its Minutes or other account of its state; and every Church connected with the Union, otherwise than through an Association, is requested to furnish some annual communication.

IX. That the omission of such communication for two successive years, after notice from the Secretary, shall be taken as a withdrawal from the Union.

X. That Annual and General Meetings of the Union are constituted by the Ministers and the Representatives of the United Churches and Associations alone, but that one or more Public Meetings may be held for the declaration of such of its transactions as may be deemed of public interest.

XI. That on account of the inevitable expenses of the Union, every Church connected with it is justly expected to contribute annually to its funds, either immediately or through the Association to which such Church belongs.
