THE HEART IN PNEUMONIA.

BY DR. C. F. WAINWRIGHT.

*Read before the N.Y. Post-Graduate Clinical Society,
Oct., 1902.*

When your chairman invited me to contribute a paper to this evening's proceedings, the time was too short to permit me to present one worthy of your consideration ; therefore, I have chosen for my talk a subject which I hope will bring out a discussion, " The Heart in Pneumonia." I wish it to be understood that my remarks will pertain to the right
