

Two Corns Are Ended This Way At Every Clock Tick

Remember this when you feel a corn. At every clock tick **Blue-jay** ends two corns. That is, it ends a million corns a month.

It doesn't merely doctor corns. It stops the pain at once. Then it gently undermines the corn. In two days the corn all comes out. No pain, no soreness, no inconvenience.

Blue-jay is ending, probably, half the corns that develop. It should end them all. Every corn you pare or coddle is a needless blight.

Ask your friends. Most of them use **Blue-jay**. None who do will ever go back to non-scientific ways.

Suffered From Salt Rheum FOR MANY YEARS.

Burdock Blood Bitters Cured Her.

Salt Rheum or Eczema is one of the most painful of all skin diseases, and if not attended to immediately may become very deep seated.

Give the blood a good cleansing by the use of that grand old medicine Burdock Blood Bitters. This sterling remedy has been on the market for the past forty years, and is the best blood cleanser on the market to-day.

Mrs. William H. Fowle, Cole's Island, N.B., writes: "I have been a sufferer from salt rheum for a good many years, and was so bad I could not do my own work. I tried a good many medicines, but they all failed to do me any good until I tried Burdock Blood Bitters. I had not taken one bottle until I found a great change, and I am most thankful for trying it. I hope that every other sufferer from salt rheum will try B.B.B."

Burdock Blood Bitters is manufactured only by The T. Milburn Co., Limited, Toronto, Ont.
